her individual capacity,	:	
Defendants	:	

COMPLAINT

I. Jurisdiction

1. A female prisoner of the State Correctional Institution at Cambridge Springs, Pennsylvania brings this Section 1983 action to recover damages for profound violations of her civil rights.

She invokes this Court's jurisdiction to address her claims under 28 U.S.C. Section 1343, a statute that confers federal jurisdiction over actions alleging violations of constitutional rights by persons acting under color of state law. In this case, it is asserted that rights protected by the Fourth and Eighth Amendments to the United States Constitution were repeatedly trampled by the plaintiff's custodians, causing her serious and protracted harm.

II. Parties

2. The plaintiff, Lisa Lambert, was an inmate of the State Correctional Institution at Cambridge Springs throughout the time period encompassed by this complaint.

3. Defendant William Wolff was the Superintendent of the State Correctional Institution at Cambridge Springs throughout the time period covered by this complaint. In that capacity, he was responsible for establishing and implementing policies, practices and procedures to protect female prisoners from physical or sexual exploitation or abuse at the hands of male guards; for the training of male guards in the management and care of female prisoners in ways that avoided the physical or sexual exploitation of the inmates; for the monitoring and supervision of male guards while they interacted with female prisoners; for the investigation of incidents of possible physical or sexual exploitation or abuse of female prisoners by male guards; and for the disciplining of guards who were engaging in such activities with female prisoners.

4. Defendant Charles Utz was a Deputy Superintendent at the prison throughout the time period covered by this complaint. In that capacity, he had the administrative authority as well as the responsibility to meaningfully investigate Lisa Lambert's allegations that she was being physically and sexually abused by guards under his command and to initiate appropriate administrative action to end the abuse and, thereby, protect Ms. Lambert from harm at the hands of his subordinates. He was also responsible for the training of male guards in the management and care of female prisoners in ways that avoided the physical or sexual exploitation of the inmates; for the investigation of possible acts of sexual or physical abuse by guards under his command; and for the supervision and monitoring of guards while they interacted with inmates in the institution.

5. Defendant Keith Bartlett was the Intelligence Captain at the prison throughout the time period covered by this complaint. In that capacity, he was responsible for investigating acts of possible physical or sexual abuse by prison guards, and for identifying guards to the prison administration who were engaging in such activities.

6. Defendant John Raun was a guard at the prison throughout the time period covered by this complaint.

7. Defendant James Eicher was a guard at the prison throughout the time period covered by this complaint.

8. Defendant Victoria Dormanic was a Deputy Superintendent at the prison throughout the time period covered by this complaint.

9. When violating Lisa Lambert's civil rights, the defendants acted under color of state law within the meaning of the Civil Rights Act of 1871.

III. Facts

10. Lisa Lambert was admitted to the State Correctional Institution at Cambridge Springs--a minimum security women's prison operated by the Pennsylvania Department of Corrections--in January of 1993.

11. Beginning in May of 1993, and continuing into October of 1994, officer Raun on several occasions kissed and fondled Lisa Lambert, against her will, within the confines of the prison. He also maliciously and sadistically beat her several times.

12. In addition to officer Raun's ongoing victimization of Lisa Lambert, officer Eicher also abused Ms. Lambert both physically and sexually within the prison walls.

13. On three occasions between August 20, 1994 and October of 1994, officer Eicher had sexual intercourse with Lisa Lambert and otherwise sexually assaulted her. There were numerous other times when officer Eicher either sexually assaulted or beat Ms. Lambert.

14. The abuse administered to Lisa Lambert by officers Raun and Eicher caused the plaintiff severe emotional distress, humiliation, embarrassment and depression as well as physical injuries.

15. In May of 1996, officer Eicher was criminally prosecuted and convicted of aggravated sexual assault, indecent assault, and official oppression in connection with his abuse of Lisa Lambert.

16. Officers Raun and Eicher were tacitly encouraged and able to exploit Ms. Lambert because of the deliberate indifference of defendants Wolff, Utz and Bartlett.

17. On information and belief, other SCI-Cambridge Springs guards were sexually harassing and abusing female prisoners prior to and throughout this time period. However, defendants Wolff, Utz and Bartlett acquiesced to this pattern of exploitation.

18. On information and belief, Superintendent Wolff and Deputy Superintendent Utz did not establish or implement adequate policies, practices and procedures to protect female prisoners from sexual or physical abuse at the hands of male guards; did not adequately train male guards in the management and care of female prisoners in ways that would avoid the sexual or physical exploitation of such prisoners; did not have in place adequate mechanisms to monitor or supervise male guards while they interacted with female inmates; did not see to it that complaints of sexual or physical abuse or possible incidents of such abuse were adequately investigated; and did not take necessary and appropriate steps to discipline guards who were engaging in such activities with female prisoners. These omissions--in an environment that inherently lent itself to sexual abuse and exploitation--were the product of deliberate indifference on the

part of these defendants to the safety and physical integrity of Lisa Lambert and other women confined at the prison.

19. The deliberate indifference that characterized the administration's approach to the problem of the sexual abuse and exploitation of female inmates by prison personnel during this time period had the effect of tacitly authorizing and encouraging officer Raun's and Eicher's abuse of Lisa Lambert and was a moving force and cause of the constitutional violations at issue.

20. On information and belief, Deputy Superintendent Utz was informed as early as July of 1993 about officer Raun's abusive conduct towards Lisa Lambert but failed as a result of his indifference to take appropriate measures to control Raun's behavior. This also enabled Raun to inflict abuse on Lisa Lambert.

21. On information and belief, defendants Wolff, Utz and Bartlett failed to apprise the Department of Corrections' Central Office of the pattern of sexual abuse that was being perpetrated by Cambridge Springs personnel against women prisoners during that time period. This was a factor that perpetuated the culture of abuse which infected the institution and enabled officers Raun and Eicher to sexually and physically exploit Lisa Lambert with impunity.

22. On information and belief, Captain Bartlett manifested deliberate indifference to the plight of the women confined to Cambridge Springs by failing during this time period to meaningfully investigate complaints of sexual and physical abuse by guards against other female inmates and against Lisa Lambert. His

indifference tacitly encouraged officers Raun and Eicher to abuse Ms. Lambert.

23. The egregious abuse of Lisa Lambert was not limited to the acts imposed on her by officers Raun and Eicher. In November of 1994, after Lisa Lambert returned to the prison from another facility, Deputy Superintendent Victoria Dormanic forced her to remove her clothing and to be videotaped and photographed in the presence of several female officers without any legitimate penological or institutional reason for doing so.

24. The cameras took pictures of the most private areas of Ms. Lambert's body, causing her extreme embarrassment and humiliation.

25. On information and belief, Superintendent Wolff authorized the videotaping and photographing of Lisa Lambert's nude body either specifically or as a matter of policy.

IV. Claims

26. Subjecting Lisa Lambert to ongoing sexual touching, fondling and kissing against her will inflicted cruel and unusual punishment in violation of the Eighth Amendment to the United States Constitution and offended the Fourth Amendment's prohibition against unreasonable searches and seizures.

27. Requiring Lisa Lambert to engage in sexual intercourse and oral sex against her will violated the Fourth and Eighth Amendments to the United States Constitution.

28. Requiring Lisa Lambert to expose her genitals and other private parts of her body against her will undermined her right to bodily privacy in violation of the Fourth Amendment and constituted cruel and unusual punishment.

29. Photographing and videotaping Lisa Lambert's naked body against her will under the circumstances of this case undermined her right under the Fourteenth Amendment to bodily privacy and inflicted cruel and unusual punishment.

30. The acts described above also violated Lisa Lambert's right to equal protection of the laws.

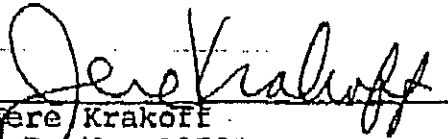

31. The acts and omissions of defendants Wolff, Utz and Bartlett described in the factual allegations of this complaint caused Lisa Lambert's rights under the Fourth, Eighth and Fourteenth Amendments to the Constitution to be violated.

V. Relief

For the reasons expressed above, the plaintiff respectfully requests the following relief:

- (1) The entry of a declaratory judgment that her constitutional rights were violated;
- (2) The award of compensatory and punitive damages;
- (3) The award of reasonable attorney's fees, court costs, and litigation expenses.

ANSWER OF DEFENDANTS WOLFE, UTZ, BARTLETT
RAUN AND KORMANIC TO COMPLAINT

Defendants, Wolfe, Utz, Bartlett, Raun, and Kormanic, by their attorneys, Thomas W. Corbett, Jr., Attorney General, Thomas F. Halloran, Senior Deputy Attorney General, and John G. Knorr, III, Chief Deputy Attorney General, Chief, Litigation Section, state that they have a full, complete, and just defense to any and all of plaintiff's complaints, and insofar as it is necessary to set forth those defenses in an answer they are as follows:

FIRST DEFENSE

Defendants respond to plaintiff's factual allegations as follows:

1. Paragraph 1 of plaintiff's complaint is a statement of jurisdiction to which no response is required. To the extent a response is deemed necessary, defendants admit that this Court has jurisdiction over the federal claims.

2. The averments contained in paragraph 2 of plaintiff's complaint are admitted.

3. The averments contained in paragraph 3 of plaintiff's complaint are admitted.

4. The averments contained in paragraph 4 of plaintiff's complaint are admitted.

5. The averments contained in paragraph 5 of plaintiff's complaint are admitted.

6. The averments contained in paragraph 6 of plaintiff's complaint are admitted.

7. The averments contained in paragraph 7 of plaintiff's complaint are not directed to an answering defendant, and therefore, no response is necessary.

8. The averments contained in paragraph 8 of plaintiff's complaint are admitted.

9. The averments contained in paragraph 9 of plaintiff's complaint are admitted in part and denied in part. It is denied that defendants violated plaintiff's civil rights. Strict proof thereof is demanded at the time of trial. It is

admitted that defendants acted under color of state law within the meaning of the Civil Rights Act of 1871.

10. The averments contained in paragraph 10 of plaintiff's complaint are admitted.

11. The averments contained in paragraph 11 of plaintiff's complaint are denied. Strict proof thereof is demanded at the time of trial.

12. The averments contained in paragraph 12 of plaintiff's complaint are not directed to an answering defendant, and therefore, no response is required.

13. The averments contained in paragraph 13 of plaintiff's complaint are not directed to an answering defendant, and therefore, no response is required.

14. The averments contained in paragraph 14 of plaintiff's complaint concerning answering defendant Raun are conclusions of law to which no response is required. To the extent a response is deemed necessary, paragraph 14 is denied. Strict proof thereof is demanded at the time of trial.

15. The averments contained in paragraph 15 of plaintiff's complaint are not directed to an answering defendant, and therefore, no response is required.

16. The averments contained in paragraph 16 of plaintiff's complaint are denied. Strict proof thereof is demanded at the time of trial.

17. The averments contained in paragraph 17 of plaintiff's complaint are denied. Strict proof thereof is demanded at the time of trial.

18. The averments contained in paragraph 18 of plaintiff's complaint are denied. Strict proof thereof is demanded at the time of trial.

19. The averments contained in paragraph 19 of plaintiff's complaint are denied. Strict proof thereof is demanded at the time of trial.

20. The averments contained in paragraph 20 of plaintiff's complaint are denied. On the contrary, Defendant Utz met with the plaintiff on July 21, 1993, but she did not make any allegations of abuse. Strict proof thereof is demanded at the time of trial.

21. The averments contained in paragraph 21 of plaintiff's complaint are denied. Strict proof thereof is demanded at the time of trial.

22. The averments contained in paragraph 22 of plaintiff's complaint are denied. Strict proof thereof is demanded at the time of trial.

23. The averments contained in paragraph 24 of plaintiff's complaint are denied as stated. Strict proof thereof is demanded at the time of trial. On the contrary, on or about November 22, 1994, the plaintiff was strip searched in a reasonable manner in accordance with Administrative Directive 203 on her return from a court date.

24. The averments contained in paragraph 24 of plaintiff's complaint are denied as stated. Strict proof thereof is demanded at the time of trial. On the contrary, the plaintiff was subjected to a medical examination by medical staff. While she remained clothed in undergarments, the plaintiff was photographed and videotaped during this medical examination in order to document her physical condition.

25. The averments contained in paragraph 25 of plaintiff's complaint are denied as stated. Strict proof thereof is demanded at the time of trial. On the contrary, Superintendent Wolff authorized the videotaping and photographing of the plaintiff in her undergarments.

26. The averments contained in paragraph 26 of plaintiff's complaint are conclusions of law to which no response is required. To the extent a response is deemed necessary, paragraph 26 is denied. Strict proof thereof is demanded at the time of trial.

27. The averments contained in paragraph 27 of plaintiff's complaint are conclusions of law to which no response is required. To the extent a response is deemed necessary, paragraph 27 is denied. Strict proof thereof is demanded at the time of trial.

28. The averments contained in paragraph 28 of plaintiff's complaint are conclusions of law to which no response is required. To the extent a response is deemed necessary, paragraph 28 is denied. Strict proof thereof is demanded at the time of trial.

29. The averments contained in paragraph 29 of plaintiff's complaint are conclusions of law to which no response is required. To the extent a response is deemed necessary, paragraph 29 is denied. Strict proof thereof is demanded at the time of trial.

30. The averments contained in paragraph 30 of plaintiff's complaint are conclusions of law to which no response is required. To the extent a response is deemed necessary, paragraph 30 is denied. Strict proof thereof is demanded at the time of trial.

31. The averments contained in paragraph 31 of plaintiff's complaint are conclusions of law to which no response is required. To the extent a response is deemed necessary, paragraph 31 is denied. Strict proof thereof is demanded at the time of trial.

32. Relief. It is denied that plaintiff is entitled to any relief whatsoever. Strict proof thereof is demanded at the time of trial.

SECOND DEFENSE

33. To the extent plaintiff seeks relief from the defendants in their official capacities for claims in the nature of a constitutional violation, it is barred by the Eleventh Amendment.

THIRD DEFENSE

34. At no time have the defendants, either individually or in concert, deprived or sought to deprive the plaintiff of any right, privilege, or immunity secured to them by the Constitution or laws of the United States.

FOURTH DEFENSE

35. Defendants have at all times relevant to the subject matter of plaintiff's complaint acted in good faith with a reasonable belief in the lawfulness of their actions.

FIFTH DEFENSE

36. Defendants are entitled to qualified immunity in that no clearly established constitutional right was violated.

SIXTH DEFENSE

37. The defendants were at all times material acting pursuant to duty required by statute or statutorily authorized regulations, and therefore, said acts were within the discretion granted to them by state or statutorily authorized regulations.

SEVENTH DEFENSE

38. The complaint fails to state a claim upon which relief can be granted.

EIGHTH DEFENSE

39. Any injuries received by plaintiff as are alleged in his complaint were the result of the actions of the plaintiff and the defendants cannot be held liable therefore.

NINTH DEFENSE

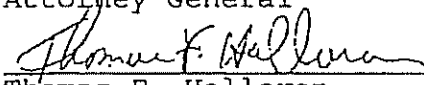

40. The claims raised by plaintiff are barred by the applicable statute of limitations.

WHEREFORE, defendants request judgment in their favor and against plaintiff, with costs of this suit and fees charged against plaintiff.

Respectfully submitted,

THOMAS W. CORBETT, JR.
Attorney General

That's correct.</div> <div>2 Q. And I will at some point amend that. I</div> <div>3 believe the other Superintendent's name was also</div> <div>4 misspelled in the first letter, was a D, I</div> <div>5 think, and it should have been a K. In any</div> <div>6 event, my purpose here today is to engage in</div> <div>7 pre-trial discovery. I'm going to be asking you</div> <div>8 about a number of different things, not only</div> <div>9 associated with Lisa Lambert, specifically, but</div> <div>10 with certain policies and procedures,</div> <div>11 investigations involving various officers</div> <div>12 associated with other inmates.</div> <div>13 And at the outset I'm going to try to</div> <div>14 determine how the process of answering</div> <div>15 Plaintiff's Request for Production of Documents</div> <div>16 functioned, and to see whether possibly there is</div> <div>17 some other documents out there that have been</div> <div>18 overlooked. I don't mean purposely, I mean</div> <div>19 inadvertently overlooked, so that we can obtain</div> <div>20 those documents, if they exist.</div> <div>21 If you don't understand a question that</div> <div>22 I put to you, I don't want you to hesitate</div> <div>23 asking me to rephrase it or to ask it again, to</div> <div>24 repeat it. My purpose here, today, is to</div> <div>25 attempt to ask clear questions, to elicit clear</div>
<div>Page 7</div> <div>PROCEEDINGS</div>	<div>Page 9</div>
<div>1</div> <div>2 -----</div> <div>3 WILLIAM WOLFE, HAVING FIRST BEEN DULY SWORN,</div> <div>4 TESTIFIED AS FOLLOWS:</div> <div>5 -----</div> <div>6 EXAMINATION</div> <div>7 BY ATTORNEY KRAKOFF:</div> <div>8 Q. Superintendent Wolfe, I'm Jere Krakoff.</div> <div>9 I represent Lisa Lambert, Plaintiff in this</div> <div>10 lawsuit. This is a civil rights action that has</div> <div>11 been filed in the U.S. District Court, the</div> <div>12 Western District of Pennsylvania. It makes</div> <div>13 allegations that Ms. Lambert has been subjected</div> <div>14 to sexual abuses and that her civil rights have</div> <div>15 been violated. You're here today for a</div> <div>16 deposition and I assume as a prison official,</div> <div>17 that you're fairly well acquainted with what a</div> <div>18 deposition is, knowing the proclivities of</div> <div>19 inmates.</div> <div>20 A. Yes, sir.</div> <div>21 Q. And I want to make one clarification.</div> <div>22 Your name was inadvertently misspelled in the</div> <div>23 Complaint, which I have since discovered. My</div> <div>24 understanding is that your name is spelled</div> <div>25 W-O-L-F-E?</div>	<div>1 responses. I'm not here to try to create</div> <div>2 ambiguities. I think that to the extent that we</div> <div>3 can have clarity here will be to everybody's</div> <div>4 advantage. Now, what is you full name,</div> <div>5 Superintendent Wolfe?</div> <div>6 A. William J. Wolfe, Jr.</div> <div>7 ATTORNEY HALLORAN:</div> <div>8 Mr. Krakoff, sorry. For the</div> <div>9 purposes of this deposition and the</div> <div>10 others that we're taken today and</div> <div>11 tomorrow, it is also my understanding</div> <div>12 that none of the inquiries and none of</div> <div>13 the requests have --- involve</div> <div>14 information related to the Vasquez</div> <div>15 (phonetic) litigation, which is a</div> <div>16 separate lawsuit which is under a</div> <div>17 separate Order.</div> <div>18 ATTORNEY KRAKOFF:</div> <div>19 Yes, it's my understanding</div> <div>20 that none of the investigative</div> <div>21 materials or other materials associated</div> <div>22 with Vasquez would have been turned</div> <div>23 over because of the fact that ---. I</div> <div>24 don't think we're even operating under</div> <div>25 any Order, because I haven't seen a</div>

Page 10

Page 12

1 signed copy of it. But at least, as
2 Mr. Halloran and I have informally
3 understood the case to be, I'm not
4 going to be insisting upon responses in
5 Vasquez, if I'm pronouncing your name
6 correctly, so that I understand that
7 Vasquez materials will not be present
8 here today. Is there something else,
9 Mr. Halloran?

10 ATTORNEY HALLORAN:

11 No, that's all.

12 BY ATTORNEY KRAKOFF:

13 Q. How old are you, Superintendent Wolfe?

14 A. Forty-seven (47) years old.

15 Q. And when did you become Superintendent
16 at Cambridge Springs?

17 A. January the 1st, let me see here,

18 January the 1st, 1992.

19 Q. And when did Cambridge Springs open for
20 inmates?

21 A. I'm sorry, that was '91.

22 Q. Okay. I take it you were here at the
23 inception when the four inmates ---

24 A. That's correct.

25 Q. --- actually occupied the facility.

1 A. Not exactly, no.

2 Q. What did the population increase by the
3 end of 1992, was it fully populated?

4 A. Oh, no.

5 Q. What would it have been at the end of
6 1992, approximately?

7 A. A rough estimate would be
8 approximately, I say 250 --- 200, 250.

9 Q. And then at what point did the
10 population more or less reach the zenith? When
11 was it --- is this place fully populated as we
12 speak?

13 A. We're not at full capacity. We've only
14 been at full capacity on one or two occasions
15 during the past year.

16 Q. How many inmates are there --- what is
17 the average daily population in 1997?

18 A. I would say about 580.

19 Q. By the beginning of --- actually,
20 perhaps the best way for me to see the
21 population would be to just get --- there would
22 have been daily counts ---

23 A. Well, that's correct.

24 Q. --- of the population all along;
25 correct?

Page 11

Page 13

1 A. That's correct.

2 Q. And when did inmates begin to be placed
3 in Cambridge Springs?

4 A. The first inmates arrived March 30th,
5 1992.

6 Q. I take it that there would have been
7 some sort of a staging process where some
8 inmates were brought it, then there would be a
9 second wave, and perhaps a third wave. But they
10 all didn't come here at the same time?

11 A. That's correct.

12 Q. And do you recall approximately how
13 many came in the first wave? Just an
14 approximation.

15 A. My recollection, approximately 20.

16 Q. And why don't you describe then, the
17 progressive waves, if you can, I'm trying to get
18 a sense of how the population built up and when
19 it became substantially populated by prisoners,
20 at what point. So when was the next wave?

21 A. We received transfers routinely on a
22 weekly basis, thereafter.

23 Q. And by September, do you have sense of
24 how many inmates there would have been in
25 September of '92?

1 A. Oh, absolutely.

2 Q. So, perhaps that would be the best way
3 rather than trying to go from your recollection.
4 I can request that formally, if you want me to.
5 Otherwise, I can just have something, say every
6 three months, from March 30, 1992, through 1994,
7 would be fine. Would that be possible?

8 ATTORNEY HALLORAN:
9 I believe so.

10 A. Yes.

11 ATTORNEY HALLORAN:
12 So it'd be one day, once every
13 three months?

14 ATTORNEY KRAKOFF:
15 Yeah, say from March, and then
16 count three months from March 30th,
17 June 30th, whatever. Just so I can get
18 a sense of how the population built up.

19 MS. KORMANIC:
20 March, '92, through what?

21 A. The end of '94.

22 ATTORNEY KRAKOFF:
23 The end of 1994.

24 BY ATTORNEY KRAKOFF:

25 Q. Now, before you became Superintendent

A 22

Page 14

1 at Cambridge Springs, had you been employed in
2 the Pennsylvania system?
3 A. Yes.
4 Q. What was your position immediately
5 before you became Superintendent?
6 A. I was the Superintendent of the State
7 Correctional Institution in Waynesburg.
8 Q. Now, had Waynesburg had women at that
9 time? I know at one time it had.
10 A. Yes, sir.
11 Q. Was it essentially an all womens'
12 prison?
13 A. Yes, it was.
14 Q. And when were you in Waynesburg, from
15 when until when?
16 A. From December 1st of '89 until I was
17 transferred here. About 13 months and 4 days.
18 Q. What was the general population at
19 Waynesburg, the inmate population, what was
20 that, approximately how many?
21 A. Composition or numbers?
22 Q. Numbers.
23 A. Numbers, approximately 300.
24 Q. And some of those, as I understand it,
25 there were some men who worked, who actually

Page 15

1 lived on the prison grounds, who were trustees
2 or inmate workers; is that correct?
3 A. No, that's not correct.
4 Q. So then the numbers would have been the
5 number of women?
6 A. Correct. It was exclusively female.
7 Q. All right. And before Waynesburg, had
8 you worked in the Pennsylvania system?
9 A. Eighteen and a half years.
10 Q. What was that progression, how did you
11 start?
12 A. I started in 1971, as a corrections
13 counselor.
14 Q. And then you proceeded from where to
15 where?
16 A. Well, that was at the State
17 Correctional Institution at Greensburg. I was
18 promoted through the ranks as counselor
19 supervisor and deputy superintendent at that
20 institution.
21 Q. And then from Greensburg to Waynesburg?
22 A. Correct.
23 Q. Have you received any training,
24 specifically focused on the operation of a
25 womens' prison, either when you assumed the

Page 16

1 position at Waynesburg, or when you assumed the
2 position in Cambridge Springs? Have you
3 received any training that was specifically
4 focused on the administration of a womens'
5 prison?
6 A. I had discussions with the Commissioner
7 of Corrections at that time.
8 Q. To what time?
9 A. Prior to, you know, going to Waynesburg
10 and immediately prior to coming up here, we
11 talked about ---
12 Q. Who was the Commissioner at the time of
13 your discussion with the Commissioner at
14 Waynesburg?
15 A. Owens.(phonetic) We had discussions
16 about the differences between the two
17 populations.
18 Q. All right. And was this one discussion
19 or you spent a period of time, over some period
20 of time, having discussions with him?
21 A. There were discussions on a fair ---
22 you know, at different times. It wasn't ---
23 Q. All at one time?
24 A. Yeah, at one time. I have continuous
25 contact with my superiors in Harrisburg.

Page 17

1 Q. Did any of your discussions focus on
2 issues involving the sexual exploitation of
3 women prisoners by staff? Did any of your
4 discussions address that issue, with others?
5 A. Not specifically.
6 Q. Not specifically?
7 A. Correct.
8 Q. What about generally?
9 A. In general, it's very plain. Every
10 administration that I have worked with certainly
11 has zero tolerance for any abuse of any
12 prisoner.
13 Q. Right. But my question is, and I used
14 the term, exploitation. Perhaps I shouldn't use
15 that. Was the subject of relationships or
16 involvement in a social or sexual nature between
17 an inmate and a staff member ever addressed in
18 your discussions with Commissioner Owens?
19 A. Not specifically, no.
20 Q. So, when you say generally, there was a
21 general discussion that there was zero
22 tolerance, that there would be zero tolerance
23 toward the exploitation or the abuse of inmates
24 by staff members, period; is that correct?
25 A. That's correct. I wouldn't stand for

A 24

Page 18

Page 20

1 anything less.
 2 Q. Now, you then had discussions, prior to
 3 assuming your position at Cambridge Springs,
 4 with the Commissioner; is that correct?
 5 A. That's correct, as well as, the Deputy
 6 Commissioner, my immediate boss.
 7 Q. Fulcomer? (phonetic)
 8 A. Yes, sir.
 9 Q. And who was the --- was Lehman
 10 (phonetic) the Commissioner at the time?
 11 A. That's correct.
 12 Q. And did any of those discussions focus
 13 on the issue of the abuse or exploitation or
 14 harassment by officers of female prisoners?
 15 A. Not specifically.
 16 Q. And by officers, I mean male officers,
 17 of women prisoners.
 18 A. Not specifically, no.
 19 Q. Once again, by not specifically, you
 20 mean there was some general discussion about
 21 some of that?
 22 A. Yes, sir.
 23 Q. And what was that general discussion
 24 about?
 25 A. Again, ---

Page 19

1 Q. The nature of it.
 2 A. --- there is no tolerance for the abuse
 3 of any inmate within our system with whom we
 4 have responsibility for the care, custody and
 5 control.
 6 Q. Does the Department of Corrections and
 7 you, specifically, view a sexual relationship
 8 between an inmate here at Cambridge Springs, and
 9 an officer or other prisoner personnel, per se,
 10 exploitative because of the relationship between
 11 the two? That is, you have an inmate on one
 12 hand and you have a custodian on the other.
 13 Would such a relationship, even if it appears to
 14 be quote, consensual, be viewed as exploitative
 15 by the department and by you, specifically.
 16 A. Yes, sir, I would. It's reprehensible.
 17 Q. Now, Cambridge Springs houses only
 18 women prisoners; is that correct?
 19 A. Correct.
 20 Q. By 1994, there would have been several
 21 hundred prisoners housed at Cambridge Springs?
 22 A. Yes.
 23 Q. Now, in 1993 and in 1994, there were
 24 both women and men who were employed as
 25 corrections officers; is that correct?

1 A. That's correct.
 2 Q. And during that time period, there were
 3 both women and men employed as supervisors in
 4 the maintenance area; is that correct?
 5 A. That's correct.
 6 Q. Is there a general term that is used at
 7 Cambridge Springs to distinguish corrections
 8 personnel from those who are involved in, you
 9 know, whether it's prison industries or
 10 maintenance, or whatever. Is there a term that
 11 is used to designate the non-correction
 12 personnel, non-clerical personnel, as well?
 13 A. Oh, everybody in the Department of
 14 Corrections has a job classification.
 15 Q. If I refer to them as maintenance
 16 personnel, is that a correct --- would that be a
 17 correct term?
 18 A. That would be --- well, corrections
 19 officer is a very specific class and there is
 20 corrections officers and non-correctional
 21 officers.
 22 Q. There is another group called
 23 maintenance personnel?
 24 A. That's correct, and to answer your
 25 question, that would be satisfactory, yes. We

Page 21

1 I would know what you're speaking about.
 2 Q. And there were both men and women who
 3 were employed by the Department of Corrections
 4 at Cambridge Springs as maintenance personnel?
 5 A. Yes, sir.
 6 Q. How many officers were employed at the
 7 prison in 1993?
 8 A. I really don't know.
 9 Q. Would there be a document that would
 10 reflect that?
 11 A. Yes, there would.
 12 Q. And what would that document be? A
 13 roster of some sort?
 14 A. Well, there are records of staff
 15 complements in our personnel office, as well as,
 16 rosters.
 17 ATTORNEY HALLORAN:
 18 Would you like the corrections
 19 officers complement for 1993 and for
 20 1994?
 21 ATTORNEY KRAKOFF: A 25
 22 And 1994, right.
 23 ATTORNEY HALLORAN:
 24 And also a breakdown of male
 25 and female?

Page 22

ATTORNEY KRAKOFF:

That's what I was going to ask for. Thank you. That was to be my next question, the breakdown.

BY ATTORNEY KRAKOFF:

Q. Do you have a sense, and this isn't something where I'm going to say you weren't being truthful. I'm just asking you --- I realize it's just an estimate. Do you have a sense of how the men versus women broke down in 1993, whether, you know, one was --- there was an overwhelming majority of one, very few of the other, or whether they were essentially equal, in terms of numbers?

A. At that particular time, I don't have a recollection.

Q. What about 1994? Do you have a recollection of what the gender composition of breakdown of the CO staff was?

A. Not exactly. All I could do is speculate.

Q. Okay. Were there more men than women employed as corrections officers? Is it your sense that there were more men than women in 1993, or you don't know?

Page 23

A. I honestly don't know, other than to speculate, but I'm not sure it serves any purpose for me to sit here and speculate.

Q. And the same is true for 1994; is that correct?

A. Yes, sir.

Q. Would it be fair to say that during 1993, as well as, during 1994, there was a significant number of men who were employed as correctional officers at the prison?

A. That's true.

Q. And would it also be accurate to say that there were a significant number of men who were employed in the maintenance area, as well?

A. That's true.

ATTORNEY HALLORAN:

I'll object to the form of the question to the extent of any ---?

ATTORNEY KRAKOFF:

Any significance?

ATTORNEY HALLORAN:

Significant numbers.

BY ATTORNEY KRAKOFF:

Q. More than a handful?

A. Yes, sir.

Page 24

Q. There were several dozen men correction officers in 1993 and 1994?

A. I really --- I really don't know, specifically.

Q. How many officers do you have now?

A. Approximately 150.

Q. And of the 150, approximately, how many are men and how many are women?

A. I've never looked at that.

Q. Do you know whether there are more men than women officers, or is it the other way, or don't you know?

A. I don't know.

Q. Now, is it accurate to say that male officers, throughout the time that Cambridge Springs has been open, have been employed in positions that routinely brought them into direct supervisory contact with women prisoners; is that accurate?

A. Could you state that again, the first part of it?

Q. Since Cambridge Springs was opened, and by that I mean since women have been or occupying Cambridge Springs, isn't it true that male officers have been employed in positions

Page 25

that routinely brought them into direct supervisory contact with women prisoners, and by supervisory I mean, their work. They were supervising women, they were monitoring their activities, et cetera, what officers do. Would it be accurate to say that men officers functioned in direct supervisory contact with women prisoners?

A. Yes, that's the job of a corrections officer.

Q. And were there any positions, were there any assignments that a male correctional officer could not assume at Cambridge Springs because of his gender?

A. Yes, there were.

Q. And what were those assignments?

A 26

A. Single post housing units.

Q. What is a single post housing unit?

A. That's a post, obviously, in an inmate housing unit, where the inmates live, where the staff complement there for corrections officers would be one officer. It's department policy.

Q. So, if there's one officer assigned to a housing unit post, that officer would have to be a woman?

Page 26

1 A. Has to be the same gender.
 2 Q. And when I said a woman, I'm focusing
 3 on Cambridge Springs.
 4 A. Correct.
 5 Q. It would have to be a woman?
 6 A. The answer would be the same, same
 7 terms.
 8 Q. And are some of housing posts posts
 9 where there are two officers assigned; some of
 10 the housing posts at Cambridge Springs or are
 11 they all one officer?
 12 A. At that time, I believe they were all
 13 one officer. They were single posts.
 14 Q. Are there now two posts officer
 15 positions?
 16 A. Yes, there are.
 17 Q. And when did that come about?
 18 A. I don't remember.
 19 Q. I'm perfectly comfortable if you wanted
 20 to consult with ---
 21 A. I looked at them because they're my
 22 advisors.
 23 Q. They might have more direct contact. I
 24 realize that you might not know everything.
 25 A. I remember when I was informed of the

Page 27

1 decision. I don't remember the exact time of
 2 it. It was a couple of years ago.
 3 MS. KORMANIC:
 4 I know the day it happened. I
 5 don't remember the ---.
 6 A. Yeah, I can remember when I was
 7 informed.
 8 BY ATTORNEY KRAKOFF:
 9 Q. Would there be a document that would
 10 reflect that?
 11 A. Oh, we could --- I could obtain that
 12 date for you.
 13 Q. Perhaps when we have a lunch break,
 14 that would might be a good opportunity to
 15 retrieve that. There was some sort of an Order
 16 or a directive issued that altered, that created
 17 two double post positions?
 18 A. I was instructed what to do. I'm not
 19 so sure I have anything in writing.
 20 Q. Now, knowing then, that there's some
 21 document that you can look at to determine when
 22 that change came about, whether it was 1994,
 23 right?
 24 A. I'm almost certain we should be able to
 25 establish that date.

Page 28

1 Q. And were there any other positions at
 2 Cambridge Springs that a male officer was not
 3 permitted, as a matter of policy, to assume
 4 because of the fact that he was the male?
 5 A. Yes.
 6 Q. And what other positions?
 7 A. Our strip search officer, that's a
 8 single post. Our transport officer, again, by
 9 department policy, one officer must be of the
 10 same gender.
 11 Q. Anything else? There would be more
 12 than one officer involved in transporting an
 13 inmate?
 14 A. On most occasions, yes.
 15 Q. And by that you mean transporting off
 16 grounds?
 17 A. Correct.
 18 Q. Any other activities that a male
 19 officer was not allowed to perform at Cambridge
 20 Springs because, any other things because of the
 21 fact that he was a male as opposed to a female?
 22 A. Our Sally Board (phonetic) officer,
 23 because that officer is required to do strip
 24 searches of inmates going in and out of our
 25 perimeter.

Page 29

1 Q. Those would be what, trustee, or any
 2 inmate going out of the ---?
 3 A. More commonly, yeah, more commonly
 4 known to the public as the term trustee. That's
 5 not a term the departments uses, but it's a term
 6 that the general public uses.
 7 Q. One who had some sort of an outside
 8 clearance, whatever that ---?
 9 A. Right.
 10 Q. S, something or other.
 11 A. Right.
 12 Q. Any other positions that you --- that
 13 come to mind?
 14 A. Off the top my head, no, I can't think
 15 of any. I believe that's it.
 16 Q. Now, male officers, where they allowed
 17 to escort a Cambridge Spring prisoner across the
 18 grounds of the institution?
 19 A. Yes.
 20 Q. And that was without the presence of a
 21 female officer?
 22 A. Right.
 23 Q. What other kinds of activities where
 24 male officers allowed to be alone with, either
 25 one or more Cambridge Spring inmates? When they

A 27

Page 30

1 escorted an inmate, could it be one to one, or
 2 did it have to be more than one inmate?
 3 ATTORNEY HALLORAN:
 4 I'm going to object to the
 5 form of the question to the extent it
 6 ---
 7 ATTORNEY KRAKOFF:
 8 It sounds like two questions.
 9 ATTORNEY HALLORAN:
 10 Well, it also sounds, what
 11 alone means is ---
 12 ATTORNEY KRAKOFF:
 13 Well, by himself.
 14 BY ATTORNEY KRAKOFF:
 15 Q. Let me ask it this way. By alone, as a
 16 matter of policy, could a single male officer
 17 escort a single Cambridge Springs inmate from
 18 one place to another on institutional grounds?
 19 A. Yes.
 20 Q. Were there any places that a male
 21 officer was not allowed to be by himself with a
 22 single woman prisoner at Cambridge Springs?
 23 Other than, I know strip search, they can't be
 24 alone with them then, other than the ones that
 25 you identified?

Page 31

1 A. I would not even --- unless there was
 2 an emergency situation, male officers would not
 3 be often during strip searches.
 4 Q. I understand that. I'm excluding the
 5 various things that you --- I know that a male
 6 officer is not going to be by himself in the
 7 Sally Board with an inmate. And that a male
 8 officer is not going to be in a housing unit
 9 where it's a single post. That's been
 10 established. What I'm trying to establish is
 11 are there any places there were out of bounds,
 12 any places that a single male officer under,
 13 either DOC or Cambridge Springs policy, was not
 14 allowed to be alone with a single woman inmate
 15 at Cambridge Springs?
 16 ATTORNEY HALLORAN:
 17 I'm going to have to --- just
 18 let me put on the record. There's a
 19 distinction between an officer walking
 20 alone across the ground with a female
 21 inmate.
 22 ATTORNEY KRAKOFF:
 23 He already said that can
 24 occur.
 25 ATTORNEY HALLORAN:

Page 32

1 Right, I agree. And the
 2 question you're asking is confusing
 3 because ---
 4 A. That's what I'm having problems with.
 5 BY ATTORNEY KRAKOFF:
 6 Q. Let me break it down. There are
 7 several buildings on the grounds of Cambridge
 8 Springs; correct?
 9 A. Yes, sir.
 10 Q. Some of the buildings are housing
 11 units; correct?
 12 A. Correct.
 13 Q. And some of the buildings are
 14 recreational facilities, like a gymnasium?
 15 A. Correct.
 16 Q. And there is a hospital facility here;
 17 correct? Or an infirmary?
 18 A. Correct.
 19 Q. And there are buildings that house the
 20 dining hall; correct?
 21 A. Correct.
 22 Q. And various other places; correct?
 23 A. Correct.
 24 Q. Are there any buildings where a single
 25 male officer is not allowed to be with a single

Page 33

1 Cambridge Springs inmate, under the policy of
 2 this prison or the DOC?
 3 A. The inmates go from Point A to Point B
 4 in general population, unescorted. They go
 5 under their own --- during move times.
 6 Q. I'm not limiting this to escorting.
 7 Are there any places where you, Superintendent
 8 Wolfe, or Deputy Kormanik, or some other
 9 administrative official, either here at
 10 Cambridge Springs or at the DOC central office
 11 when it was said, an officer, a male officer is
 12 not allowed to be alone with a female in this
 13 building or this part of this building, or that
 14 building, that's what I'm trying to determine?
 15 A. Again, I don't understand --- alone.
 16 ATTORNEY HALLORAN:
 17 Why don't you give him your
 18 response and explain how you're
 19 answering it.
 20 A. A male officer may escort a female
 21 across the compound to any non-restricted area
 22 of the institution.
 23 Q. Well, what does that mean?
 24 A. That means, if a part of the
 25 institution is closed, we still have a vacant

A 28

Page 34

1 building here, not to be taking inmates over to
 2 that building, there's no purpose to it. And at
 3 that time, if part of the institution is open,
 4 if the activity is open, yeah, they can.
 5 Q. So basically, if there's a facility
 6 that essentially is not open for prison
 7 activities, a male officer can't take an inmate
 8 there because there's no reason.
 9 A. A male or female, they shouldn't be
 10 doing it.
 11 Q. Right. There's no reason for anybody
 12 to be going into a restricted facility?
 13 A. That's correct, sir, male or female.
 14 Q. What facilities were restricted during
 15 1993 and 1994?
 16 A. They changed as the institution as
 17 activated.
 18 Q. Was Lutter (phonetic) a restricted
 19 facility, or parts of Lutter?
 20 A. Parts of Lutter were, yes, sir.
 21 Q. And that would have been the third and
 22 fourth floors, at one point?
 23 A. At one point, Lutter was totally
 24 unoccupied, it wasn't, you know, this wasn't the
 25 first building we occupied.

Page 35

1 Q. But basically, any place that a female
 2 officer could enter and be with a female inmate,
 3 one to one, a male officer could enter and be
 4 with a female inmate, one to one; is that
 5 correct?
 6 A. That's correct.
 7 Q. Now, what about --- sorry.
 8 A. Although certain human dignity and my
 9 standard of privacy ---. For example, if there
 10 was a bathroom, male or female can certainly go
 11 in the bathrooms. And we have stalls here in
 12 our housing that are communal areas.
 13 Q. Right.
 14 A. Certainly if there was a woman in
 15 there, the males can go and look in the
 16 bathrooms but I wouldn't expect them to open up
 17 a stall when the inmate acknowledges that
 18 they're using that facility at the moment. That
 19 would be inappropriate.
 20 Q. Now, what about the maintenance area?
 21 Can you identify for me the various maintenance
 22 facilities that exist at Cambridge Springs?
 23 A. What do you mean by maintenance
 24 facilities?
 25 Q. Well, there are maintenance workers;

Page 36

1 correct?
 2 A. Yes.
 3 Q. And I take it that there are certain
 4 places that the maintenance workers work out of,
 5 where they're ---.
 6 A. Shops, shops.
 7 Q. Things of that nature.
 8 A. Maintenance shops, okay.
 9 Q. Because I do not have good sense of
 10 what those areas consist of, so can you kind of
 11 list for me the various shops and any other
 12 maintenance areas that exist at Cambridge
 13 Springs?
 14 A. The majority of our maintenance shops
 15 are located on the first floor of Currie Hall.
 16 Q. Is that C-U- ---?
 17 A. R-R-I-E. Currie.
 18 Q. And what do those shops consist of?
 19 A. Well, there's carpentry, plumbing,
 20 electrical, and HAC.
 21 Q. That's what --- air conditioning?
 22 A. Heating and air conditioning.
 23 Q. Is Currie Hall used for anything else?
 24 A. Yes.
 25 Q. Is it a housing area?

Page 37

1 A. No.
 2 Q. What else is it used for?
 3 A. It houses our educational programs and
 4 vocational programs.
 5 Q. All right.
 6 A. And activities area.
 7 Q. What kinds of activities?
 8 A. Arts and crafts room, there's a music
 9 room, and there's an area that we use for
 10 aerobics and some weight machines.
 11 Q. And what floor are those on? I don't
 12 mean for each one, but generally, are they above
 13 the shops?
 14 A. The shops are in the middle. There's a
 15 second floor area that houses primarily our
 16 school, our education classrooms, and a couple
 17 of vocational programs up there.
 18 Q. Was any part of --- was this true,
 19 also, in 1994, did Currie exist, more or less,
 20 in that fashion?
 21 A. More or less.
 22 Q. Were there any parts of Currie that
 23 were off limits to officers and inmates?
 24 ATTORNEY HALLORAN:
 25 I'm going to object to the

A 29

Page 38

1 form of question.

2 ATTORNEY KRAKOFF:

3 What was the word we used,

4 again?

5 ATTORNEY HALLORAN:

6 Off limits is all right. But

7 we need a time frame.

8 ATTORNEY KRAKOFF:

9 Oh, okay.

10 ATTORNEY HALLORAN:

11 In terms of when they ---.

12 BY ATTORNEY KRAKOFF:

13 Q. In 1994, were there any ---

14 ATTORNEY HALLORAN:

15 Also in the course of the day.

16 A. That's what I have problems with, yeah.

17 BY ATTORNEY KRAKOFF:

18 Q. During what time of the day was Currie

19 Hall open for shops --- for shop activities?

20 A. 8 to 4, Monday through Friday. The

21 maintenance shops.

22 Q. This wasn't off limits then, when it

23 was open?

24 A. No, sir.

25 Q. And when were the educational and

Page 39

1 vocational programs?

2 A. 8 to 4, Monday through Friday.

3 Q. And arts and crafts, same?

4 A. No. Arts and crafts are, I don't know

5 the exact schedule, but I believe it was in the

6 evenings during the week.

7 Q. So when these functions weren't

8 occurring, they'd be off limits to officers and

9 inmates; correct?

10 A. Certainly, yes.

11 Q. When I say that, I mean jointly.

12 A. That's correct, because an officer

13 might go in there and patrol or have need to

14 search a room, but they wouldn't have inmates

15 with them.

16 Q. Right.

17 A. Right.

18 Q. Now, physically, was there any part of

19 Currie Hall that was off limits, any basements,

20 any other parts of Currie Hall that was off

21 limits to an officer and an inmate being there

22 at the same time?

23 A. Again, it would depend upon whether the

24 room was open and there activity, there was a

25 scheduled activity going on. The building had

Page 40

1 various activities going on at various times.

2 Q. Even in the basement?

3 A. Yes, sir. Not all the rooms were where

4 the officers would escort inmates to, for any

5 legitimate purpose that I know of. The boiler

6 room, there's storerooms.

7 Q. Were there any orders issued that they

8 shouldn't, couldn't be in a storeroom with an

9 inmate?

10 A. Not specifically, you know.

11 Q. What about the boiler room first?

12 A. Yes.

13 Q. Okay, then I should have storage room.

14 ATTORNEY HALLORAN:

15 You asked about storage room

16 first and then the boiler rooms.

17 BY ATTORNEY KRAKOFF:

18 Q. The boiler room, was that off limits

19 for an officer and inmate to be there together?

20 A. There would be no legitimate purpose

21 for them to be there. That's our policy. I

22 didn't name each room in each specific

23 circumstance. We are authorized to operate

24 within the scope of our, you know, job

25 responsibilities, for legitimate purposes.

Page 41

1 There would be no legitimate purpose for

2 somebody to escort somebody to a closed section.

3 Q. Was there a written policy that

4 articulated that, that you may only be with an

5 inmate if you're there for some legitimate

6 purpose or some legitimate activity?

7 A. I don't think there's a written policy,

8 per se. It's part of the training.

9 Q. Where did they receive that training,

10 at Camp Hill?

11 A. A host of places.

12 Q. Here?

13 A. Camp Hill, at our training academy.

14 Q. Here?

15 A. Here, at the institution.

16 Q. And that's part of the training here?

17 A. Yes, sir.

18 Q. And who's the training officer who

19 would impart that information?

20 A. Paul Slighton (phonetic) is our

21 training officer. We also have a training

22 lieutenant.

23 Q. What is his name?

24 A. Her name is Vickie Scott (phonetic).

25 Prior to that our training officer was Sue

Page 42

1 Rutherford.
 2 Q. How long has Vickie Scott been the
 3 training lieutenant?
 4 A. I don't remember the exact date.
 5 Q. Couple years?
 6 A. Two years, yes, sir. Sue Rutherford
 7 was our initial training lieutenant.
 8 Q. This would be a good opportunity --
 9 okay, let's continue along this line. Then I'm
 10 going to take you through Request for Production
 11 of Documents, which requests written training
 12 materials that were used during the period of
 13 time since 1992. And I'll represent to you that
 14 I didn't see anything in writing from Cambridge
 15 Springs or elsewhere that articulated the
 16 principle that an officer and an inmate could
 17 only be together if there's some activity going
 18 on or some legitimate purpose for being there.
 19 Or, anything in writing related to places that
 20 an officer and an inmate could not be, or places
 21 that were off limits, and I'll go through those
 22 later with you.
 23 In any event, male officers were
 24 employed, or have been employed since 1992 on
 25 all three work shifts at Cambridge Springs?

Page 43

1 A. That's correct.
 2 Q. Let me list for you some places that
 3 would appear to be, or some context, that would
 4 appear to be situations where male officers
 5 would come into direct contact with Cambridge
 6 Springs inmates. And then I would like to ask
 7 you whether you agree and if you can think of
 8 other contexts. They come into contact with
 9 Cambridge Springs inmates in housing units; is
 10 that correct?
 11 A. Yes.
 12 Q. And what would a male officer's role be
 13 in a housing unit, if any, assuming that it's a
 14 single post housing unit? Would they have any
 15 reason for being in a housing unit, such as,
 16 making rounds or doing other things?
 17 A. Making rounds and inspections. That's
 18 just what I was going to say.
 19 Q. And the inspections would consist
 20 generally -- I'm sensitive to your security
 21 needs. I'm not here to try to elicit from you
 22 anything that's going to compromise security,
 23 but in a very general way, what do you mean by
 24 inspections? What are they -- are these
 25 contraband inspections, or inspections to see

Page 44

1 whether the place is clean, or what?
 2 A. All the above. Also we had officers in
 3 there, we had training sergeants, and training
 4 sergeants would go in and provide instruction.
 5 Q. To new officers?
 6 A. To new officers, yes, sir.
 7 Q. And what about on work sites? Would
 8 CO's have any job responsibilities or functions
 9 in connection with inmates who were engaged in
 10 working activities?
 11 A. Yes.
 12 Q. And what would those responsibilities
 13 be, monitoring inmates while they work, or ---?
 14 A. Opening supply, cleaning supply
 15 closets, and supervising the work, janitorial
 16 work, primarily.
 17 Q. Would the maintenance supervisors be
 18 the personnel who actually provide the
 19 monitoring of inmates on maintenance work sites?
 20 A. That's correct.
 21 Q. Now, you said janitorial. So, if
 22 somebody was working for a plumber, for example,
 23 it would be the maintenance supervisor who would
 24 monitor that inmate rather than a CO?
 25 A. That's correct. It was a maintenance

Page 45

1 --- assigned maintenance project.
 2 Q. And what about meals? What about the
 3 context of meals. What contact would routinely
 4 be expected to occur? I'm talking about
 5 supervisory contact between an officer and
 6 inmates during meals?
 7 A. The officers are responsible for
 8 providing supervision of the inmate dining room
 9 and controlling inmate movement to and from the
 10 dining hall during inmate meal periods.
 11 Q. Now, the inmate meal workers, they
 12 would be supervised by --
 13 A. Dietaries.
 14 Q. -- civilian dietary personnel?
 15 A. Dietary staff.
 16 Q. And then escorts, CO's would have kind
 17 of ongoing escort activities for some purposes?
 18 They would escort inmates for some purposes? I
 19 understood you to say that inmates pretty much
 20 can go unescorted from one place to another on
 21 the grounds.
 22 A. That's true. It's very rare that a CO
 23 or any other staff member would direct --- or
 24 corrections officer would directly escort them
 25 from Point A to Point B. That's why I was

A 31

Page 46

1 having trouble with your question. It would be
2 very rare. There would have to be some highly
3 unusual circumstance in which that inmate was
4 required to be under direct officer escort.

5 Q. Like an RHU inmate, or ---

6 A. Yes, sir. Like a RHU. That's why I'm
7 talk --- you know, we do not provide direct
8 escort of inmates unless there's some highly
9 specialized reason for it. That's why I was
10 having a lot of difficulty answering your
11 questions relating to that.

12 Q. I understand that. That's been
13 clarified, thank you. Recreation, in that
14 context, what role, what contact would there
15 routinely be between the officers ---

16 A. Indirect supervision.

17 Q. And why don't you describe for me how
18 that occurs.

19 A. Officers would supervise line and
20 movements. They would be standing there
21 observing, not directly having control of a
22 particular inmate.

23 Q. So there'd be a group that --- are they
24 exercised in groups, or is their recreation in
25 groups?

Page 47

1 A. Yes.

2 Q. And when they go to meals, when inmates
3 go to meals, do they go in groups?

4 A. Yes, sir.

5 Q. And then the officer would be --- there
6 would be some officer who would kind of just be
7 keeping an eye on them as they moved from the
8 dormitory or wherever they're coming from as a
9 group, to the dining hall; is that correct?

10 A. Yes, sir.

11 Q. Now, are there documents that will
12 reflect the duty assignments of officers on a
13 daily basis?

14 A. Yes, sir. We post orders.

15 Q. Post orders. Now, when you became the
16 superintendent at Cambridge Springs, you were
17 aware, weren't you, that some risk existed by
18 virtue of having male officers assigned to
19 positions where they would have direct contact
20 with female prisoners? You were aware that
21 there was some risk involved, that there would
22 be some form of untoward sexual contact between
23 a male officer and a female, weren't you?

24 A. I was aware that all employees were at
25 risk, male and female, sir.

Page 48

1 Q. All employees are at risk?

2 A. Yes, sir.

3 Q. What do you mean by that?

4 A. Well, approximately a third of our
5 cases involve female on female. Female staff
6 with female inmates. This problem is not
7 isolated to one gender. If it were, it would be
8 a simple solution.

9 Q. And approximately two thirds of your
10 cases have involved male personnel and the women
11 prisoner?

12 A. Approximately.

13 Q. So there was a heightened --- were you
14 aware that there was a greater risk when you had
15 male personnel employed at a womens' prison of
16 untoward sexual contact between the personnel
17 and the inmates? Would you concede that there
18 was a greater risk?

19 A. I view everybody at risk.

20 Q. You saw no distinction, then, between
21 degree of risk, between when you have female
22 officers and female inmates and male officers
23 and female inmates; is that right? You view
24 that as everybody?

25 A. Everybody's at risk, sir, that's the

Page 49

1 way I view it.

2 Q. I understand that everybody's at risk,
3 but so that I understand you correctly, you view
4 this as an equal risk; is that correct?

5 A. Yes, sir. Potential for risk.

6 Q. Now, how do you explain the two thirds
7 of the cases involve male personnel and only one
8 third approximately involve female personnel?
9 Is that an aberration?

10 A. Perhaps.

11 Q. Now, when you were at Waynesburg, this
12 was also an institution where you had women
13 inmates and I assume you had both male and
14 female CO's and other personnel; is that
15 correct?

16 A. Yes, sir.

17 Q. Were there instances during the time
18 that you were at Waynesburg where you determined
19 that an employee had sexually exploited or
20 abused a female inmate? A 32

21 A. Meaning exploited or abused in terms of
22 ---.

23 Q. I'll give you the whole definition that
24 was used so that's it clear what we're talking
25 about.

Page 50

1 A. I'd appreciate that.

2 Q. In our Request for Production of

3 Documents, the phrase, sexual abuse, harassment

4 or exploitation, should be construed broadly and

5 is intended to encompass such activities as

6 touching of breasts, buttocks, legs, and other

7 private parts, kissing, caressing or fondling of

8 inmates, attempts to coerce or encourage inmates

9 to engage in sexual acts, either by words,

10 threats or physical force, and repeated

11 references to sexual issues in the presence of

12 inmates. Let me eliminate the last one, which

13 would be simply, not simply, but would be making

14 reference to sexual issues, and focus you on the

15 first three parts, which is the touching of

16 those private parts, kissing, caressing or

17 fondling an inmate, or attempts to force or

18 encourage an inmate to engage in sexual acts,

19 either by words, threats or physical force.

20 Using that as a definition, did any of those

21 activities, based upon the determination of

22 either the administration at Waynesburg or by

23 the central office, occur at Waynesburg?

24 A. I had one maintenance person allegedly

25 exposed himself to a female inmate. I'm not

Page 51

1 sure what his motives were, if it occurred. And

2 that person resigned.

3 Q. Was that the only such activity?

4 A. To my knowledge, yes sir, while I was

5 superintendent. That's why I had trouble

6 answering your question. Exposing himself did

7 not, you know --- I had some trouble with

8 exploiting, sexually exploiting.

9 Q. So based upon your experience at

10 Waynesburg, when you came to this prison, you

11 didn't view the risk of sexual harassment, the

12 definition I gave you, and the types of

13 activities, as a serious risk, did you? I'm

14 talking of a serious risk of occurring?

15 ATTORNEY HALLORAN:

16 I'm going to object to the

17 form of the question. If you want to

18 ask him a question, he pauses to

19 answer, let him answer before you start

20 with other questions.

21 A. It's always potential risk.

22 BY ATTORNEY KRAKOFF:

23 Q. This roof can fall, that's a potential

24 risk, right?

25 A. That's correct. Based on my experience

Page 52

1 with the staff at Waynesburg, they conducted

2 themselves overwhelmingly, in a very mature,

3 responsible and professional manner. The risk

4 was accentuated perhaps here some because we

5 hired a lot of new people.

6 Q. I'm going to get to that later. But

7 when you came here, based upon your experience

8 at Waynesburg, you viewed the risk, based upon

9 your experience at Waynesburg, as a minimal

10 risk, didn't you, that there would sexual

11 exploitation and sexual abuse by members of the

12 staff against the inmates?

13 A. Not minimal.

14 Q. How great did you view the risk?

15 A. One case is too many. I knew, you can

16 certainly expect, even talking with my

17 colleagues nationwide working with males or

18 females, there's going to be sexual behavior in

19 a prison. We do everything we can to prevent

20 that through training and screening our

21 candidates.

22 Q. How great did you view the risk when

23 you came to Cambridge Springs of that kind of

24 behavior?

25 A. It's always a risk.

Page 53

1 Q. I'm trying to --- my question is how

2 great did you view the risk?

3 A. It's always a concern to me.

4 Q. How great did you view the risk?

5 ATTORNEY HALLORAN:

6 If you could quantify.

7 A. It's probably one of my biggest fears

8 in life.

9 BY ATTORNEY KRAKOFF:

10 Q. So you viewed it as a great risk?

11 A. Yes, sir.

12 Q. Now, when you spoke with Commissioner

13 Lehman, did he give you any instructions, in

14 terms of how you should attempt to minimize the

15 risk of sexual abuse, exploitation, harassment,

16 at Cambridge Springs?

17 A. Through enforcing our Code of Conduct,

18 our Code of Ethics.

19 Q. Was that his advice?

20 A. It may not have been in those words,

21 those exact words. But that's certainly --- as

22 I said, every boss that I've worked for has

23 stressed the importance, and our employees are

24 drilled into how seriously we take our code of

25 ethics. It covers abuse.

A 33

Page 54

1 Q. Did you have any discussions with your
2 counter-part at Muncy, at any time, either when
3 you assumed the position at Cambridge Springs or
4 afterwards, about their experiences at Muncy
5 with respect to the sexual abuse harassment,
6 exploitation issues?
7 ATTORNEY HALLORAN:
8 Are you limited it up to 1993,
9 '94, or are you going up to the present
10 time?
11 ATTORNEY KRAKOFF:
12 Yeah, to the present time.
13 A. Well, we have ongoing discussions.
14 It's always a concern.
15 BY ATTORNEY KRAKOFF:
16 Q. When did these discussions begin,
17 discussing ---.
18 A. When I was first start working with
19 female offenders.
20 Q. In Waynesburg?
21 A. Yes, sir.
22 Q. And who did you speak with at Muncy?
23 A. Superintendent Byrd (phonetic). Mary
24 Byrd.
25 Q. And what did she tell you about her

Page 55

1 experiences at Muncy?
2 A. Don't just look at the men, don't just
3 watch the men.
4 Q. Did she give you any other advice?
5 A. That was the best piece of advice I got
6 because I, too, thought, like most other people,
7 that I thought that men would be at high risk.
8 And she was the one that informed me that to
9 look at both genders of your staff as being at
10 high risk.
11 Q. And did she give you any other advice
12 that you can recall?
13 A. That was probably the greatest piece of
14 advice that she had given me when I first
15 started.
16 Q. Did she give you any advice with
17 respect to procedures or policies that you can
18 recall?
19 A. No.
20 ATTORNEY HALLORAN:
21 Is that no, you can't recall
22 them? Is that no, you can't recall, or
23 no -.
24 A. I can't recall and probably not. Our
25 department has very specific procedures if there

Page 56

1 are concerns or reports of abuse.
2 Q. Is there a specific policy, I'm talking
3 about one document that sets out the
4 department's philosophy, with respect to, and
5 I'll use the term, sexual abuse, so you
6 understand that includes the whole gamete. Is
7 there a specific policy that sets out the
8 department's philosophy, with respect to, sexual
9 abuse by prison employees against inmates?
10 A. Our most significant one is the code of
11 ethics.
12 Q. And I received a copy of the current
13 code of ethics. Maybe you have a copy of that
14 with you, if not, I'll let you look at this.
15 The copy that I have appears to have been issued
16 on June 1st, 1995, by Commissioner Horne. Can
17 you point to the parts of the code of ethics
18 that you view as reflecting the policy of the
19 Department of Corrections, with respect to, the
20 sexual abuse of inmates by prison personnel?
21 A. Well, to maintain a safe and secure
22 environment for offenders and staff.
23 Q. All right. What page is that on?
24 A. That's page two, the forward. The
25 authority exercised over inmates will be fair

Page 57

1 and professionally responsible.
2 Q. Okay.
3 A. General responsibility of the
4 Department of Corrections of Employees, Section
5 A.
6 Q. What does that say?
7 A. Page three. Consistent with the
8 responsibility of all correctional employees of
9 the Commonwealth of Pennsylvania to perform
10 their duties with integrity and impartiality,
11 and to avoid situations whereby bias, prejudice,
12 personal gain, the following code is
13 promulgated.
14 Q. Uh-huh (yes).
15 A. It mentions integrity. All employees
16 are expected to fully comply with the Department
17 of Correction's policy prohibiting sexual
18 harassment.
19 Q. All right, what ---?
20 A. A-1, page three, discrimination.
21 Q. I want you to read that whole section.
22 A. Responsibility of all corrections
23 employees to act in relation to all citizens of
24 the Commonwealth without regard to age, race,
25 color, ancestry, creed, sex, marital status,

A 34

<p style="text-align: right;">Page 58</p> <p>1 national origin, non job-related handicap, 2 political beliefs. This necessarily includes 3 the inmates with whom we supervise and fellow 4 employees with whom we work. 5 Q. You said something about sexual 6 harassment? 7 A. Yes, sir. 8 Q. Is that next? 9 A. Yeah, all employees are expected to 10 fully comply with the Department of Correction's 11 policy prohibiting sexual harassment. 12 Q. Where does that policy appear? Or is 13 that the policy? 14 A. Well, there are a number of policies 15 regarding sexual harassment. 16 Q. Of inmates? 17 A. Well, it says right here. This is a 18 policy here. This is here and it mentions 19 inmates previously. 20 <u>ATTORNEY HALLORAN:</u> 21 Let's do this one at a time. 22 Why don't you finish going through this 23 document and then pursue the other. 24 <u>BY ATTORNEY KRAKOFF:</u> 25 Q. Any other sections?</p>	<p style="text-align: right;">Page 60</p> <p>1 one, Six, B-six, page five. Same one, Item 14, 2 Page Six, Employees will promptly report to 3 their supervisor any information which comes to 4 their attention and indicates violation of law. 5 Rules and/or regulations of the Department of 6 Corrections, by either an employee or an inmate. 7 And will maintain reasonable familiarity with 8 the provisions of such directives. Item number 9 23, any conduct which brings discredit to their 10 profession, responsibilities of the Department 11 of Corrections, or public service at large shall 12 be subject to immediate discipline. 13 All employees, including medical staff 14 and counselors, are required to report inmate 15 abuse complaints or incidents of inmate abuse to 16 their immediate supervisor. 17 Q. All right. And are those the items 18 that, in your mind, relate to the issue of 19 sexual abuse? 20 A. Lastly, under enforcement, any employee 21 who violates the provisions of this code shall 22 be subject to immediate disciplinary action by 23 the reporting authority. 24 Q. Now, how is that code promulgated, or 25 how is it distributed? Does an officer receive</p>
<p style="text-align: right;">Page 59</p> <p>1 A. Section 4, I'm sorry, Section 6. 2 Q. All right. And what page is that? 3 A. Page 4, Item B, specific rules and 4 regulations, number one, second paragraph, this 5 involves the intelligent, humane and impartial 6 treatment of inmates. Profanity directed 7 towards --- directed to inmates, or vengeful, 8 brutal or discriminatory treatment of inmates 9 will not be tolerated. 10 Q. All right. 11 A. Corporal punishment shall not be 12 utilized in any circumstances. Number two would 13 be applicable in the minimal amount of force 14 necessary to defend oneself, or others, to 15 prevent escape, to prevent serious injury or 16 damage to property to quell a disturbance. 17 Excessive force, violence, or intimidation will 18 not be tolerated. Talks about horseplay, but 19 that's not applicable here. There shall be no 20 fraternization or private relationship of staff 21 with inmates or members of their families. 22 Q. Anything else? I want you to indicate 23 what paragraph you were reading from there. 24 What page? 25 A. I did, this is --- this is the same</p>	<p style="text-align: right;">Page 61</p> <p>1 the code when he's employed? 2 A. At the very beginning, each Department 3 of Corrections employee receives and signs for 4 the --- 5 Q. The code. 6 A. --- code of ethics, yes, sir. 7 Q. Now, that code is 1995, January of 8 1995. There's been a code in one form or 9 another, I assume for many years? 10 A. Since my career in 1971, sir. 11 Q. Okay. Do you have a copy of the code 12 that existed during 1993 and 1994? 13 A. I can't say, probably get one. The 14 language is --- 15 Q. Is it similar? 16 A. Yes, sir. A 35 17 Q. Because I'd like a copy of that. 18 A. They change it when Commissioners 19 change because the Commissioner's name is on the 20 front. 21 Q. Now, have you issued anything, and when 22 I say you, I mean you, or somebody on behalf of 23 yourself, issued an administrative directive, 24 order, memorandum, anything, any other kind of 25 document that speaks to the question of sexual</p>

Page 62

1 abuse by prison employees against inmates and
2 the philosophy of this administration with
3 respect to such abuse?
4 A. I can't recall of anything specifically
5 in writing. Other --- you mean me, personally?
6 That was the question, wasn't it?
7 Q. No, I meant or somebody on your behalf,
8 one of the deputies or somebody else on the
9 administrative chain issuing such a document.
10 A. No. We operate under our code of
11 conduct.
12 Q. Now, there are policy statements that
13 are sometimes issued from the central office and
14 then replicated by the superintendent, is that
15 correct, with some modifications?
16 A. At various times, yes, sir.
17 Q. But you've not issued any sort of a
18 policy statement with respect to the subject of
19 sexual abuse and have relied on the code of
20 ethics; is that correct?
21 A. Yes.
22 Q. To speak to the subject; is that
23 correct?
24 A. You're talking about written?
25 Q. Yes.

Page 63

1 A. Again, I would have to look at some of
2 our sexual harassment policies, which I
3 reiterate the department's policy regarding
4 sexual harassment.
5 Q. Sexual harassment within the staff, or
6 sexual harassment by personnel against inmates,
7 or both?
8 A. I would have to double check that.
9 Q. I would like --- because those would
10 come within our requests. I would like a copy
11 of anything that you or somebody on your
12 administrative staff has issued on the subject
13 of sexual abuse. Nothing at this point comes to
14 mind on the subject, other than the code of
15 ethics?
16 A. Well, something just came to mind.
17 Q. Well, why don't you tell me what that
18 is.
19 A. Our training.
20 Q. Your training ---
21 A. Which I authorize the training in the
22 institution here. It's done under my authority.
23 Q. And when did that come about?
24 A. It started since the inception of the
25 institution.

Page 64

1 Q. The training?
2 A. The training --- the local training was
3 conducted here, on grounds.
4 Q. And there's something in writing on the
5 subject of sexual abuse of inmates?
6 A. On the abuse of inmates, yes, and
7 sexual abuse is a sub-category of abuse. I view
8 them as the same. Physical, mental, sexual,
9 abuse. Inmates are --- there's no abuse of
10 inmates. This is why I'm having trouble coming
11 up with just a specific document that relates to
12 a particular type of abuse.
13 Q. So I take it --- I take it that you
14 don't see a need for having a written policy or
15 a written training manual that specifically
16 focuses on sexual abuse; is that correct?
17 ATTORNEY HALLORAN:
18 I think we're ---
19 ATTORNEY KRAKOFF:
20 He's talking about the
21 training record and I ---.
22 A. I've answered that, I believe.
23 BY ATTORNEY KRAKOFF:
24 Q. Well, let me ask the question again.
25 ATTORNEY HALLORAN:

Page 65

1 Well, let me ask and we can
2 conserve --- we want to review, I'm not
3 so sure that we have checked training
4 materials in response to your Request
5 for Production. So I want to make sure
6 that's done before ---.
7 BY ATTORNEY KRAKOFF:
8 Q. I understand that, but I'm suggesting
9 is that as I understand your response, to you
10 abuse, is abuse is abuse, whether it's physical,
11 or sexual, that all abuse of inmates is not
12 tolerated; correct?
13 A. That's correct, sir.
14 Q. And all abuse of inmates is wrong; is
15 that correct?
16 A. That's correct, sir.
17 Q. And abuse of inmates is generally the
18 same thing, whether it takes the form of
19 physical, or sexual or mental abuse; is that
20 correct?
21 A. There may be different pathologies, I
22 wouldn't say ---.
23 Q. There might be different causes, is
24 that what you mean?
25 A. Yes.

A 36

Page 66

Page 68

1 Q. Do you see a need for having training
2 that is specifically, I'm not asking you now
3 whether you have such training, but do you see a
4 need for having training that is specifically
5 focused on sexual abuse, as opposed to other
6 kinds of abuse?

7 A. Yes, sir, yes, and we have implemented
8 that.

9 Q. When did you implement that?

10 A. September of '94.

11 Q. And is there some written document or
12 training manual, part of a training manual, that
13 contains the text of this sexual abuse material?

14 A. We have a video tape, it's taken and
15 shown to each and every person.

16 Q. Yeah, I would like a copy of that, that
17 would certainly be relevant. And that is shown
18 to each person when they begin their employment
19 here?

20 A. Yes, sir.

21 Q. And that began in September of 1994?

22 A. This particular program did, yes, sir.

23 Q. And how long is the video,
24 approximately?

25 A. It's quite lengthy. It a video tape of

1 A. October of '95. But we still
2 continued, between March of '95 and October of
3 '95, that tape was shown to our --- after all
4 staff received that training, all new people
5 came in and viewed that tape. And that tape was
6 shown for some time without being inadvertently
7 erased. When we found out it was erased, Vaughn
8 came out very quickly and redid it for us.

9 Q. More or less this same presentation?

10 A. Yes, sir.

11 Q. And why don't you describe when the
12 request or invitation from Mr. Davis came about.
13 I know you said that he came to the prison in
14 September of 1994?

15 A. Yes, sir.

16 Q. And that was because there had been
17 some concerns --- when and why did you express
18 those concerns to Mr. Davis?

19 A. Because of the incidents of staff
20 fraternization with inmates and becoming
21 sexually involved with them.

22 Q. And when did these concerns emerge in
23 your mind, that were sufficiently serious, I
24 take it, for you to contact Mr. Davis?

25 A. Well, the question sounds as if I was

Page 67

Page 69

1 the, then, Director of our Internal Affairs, our
2 Special Services Investigation Unit.

3 Q. What was his name?

4 A. Vaughn Davis. Came to this institution
5 based upon our concerns, and ---

6 Q. He spoke?

7 A. He spoke on several occasions.

8 Q. But the first time he came ---

9 A. He talked to a lot of our employees and
10 it was --- he came back again in November of
11 '94.

12 Q. The first time he came was when?

13 A. September of '94.

14 Q. And was that when you taped the
15 presentation?

16 A. He spoke to all of our employees. We
17 had all of our staff, it was mandatory for them
18 to participate. He came back in November. We
19 then videotaped it, he was out here, again, we
20 videotaped it in March of '95. We showed that
21 tape for quite some time and it was
22 inadvertently erased. Someone forgot to take
23 the little thing off the cassette. He came back
24 and retaped it.

25 Q. When did you retape it?

1 not concerned previously. I was always
2 concerned from the very first case, and
3 certainly part of our strategy, too, as a
4 department, was to take and to investigate.
5 Based on the results of the investigation take
6 very swift and decisive disciplinary action and
7 prosecute where we believed that there was
8 sufficient evidence to file criminal charges
9 with the District Attorney's office.

10 Q. Well, when was it that you determined
11 to contact Mr. Davis and to ask Mr. Davis to
12 come to your prison to speak? We know he came
13 in September of 1994.

14 A. I really don't know because we have
15 been in routine dialogue with his office. I
16 don't --- it was predicated on our concerns that
17 there had been a few of these cases. We took
18 very decisive action, disciplinary action, and
19 quite frankly, you know, once you start
20 arresting people and sending them to jail and
21 they're fired or terminated, it's still
22 bewildering to me how anybody could engage in
23 that type of behavior.

A 37

24 Q. You mean after it becomes known?

25 A. After what, you know, well, from the

Page 90

1 BY ATTORNEY KRAKOFF:

2 Q. Do you recall allegations of alleged
3 sexual involvement, and I'm defining that term
4 broadly as I did with sexual abuse, between an
5 officer by the name of Free, F-R-E-E, and an
6 inmate by the name of Jafka, J-A-F-K-A?

7 A. No, I don't recall that.

8 Q. Do you recall any allegations of any
9 sort of sexual abuse involving a maintenance
10 worker by the name of Young, I think his first
11 initial --- his first name begins with a W?

12 A. Wayne.

13 Q. Wayne, and Ms. Jafka, do you recall
14 hearing any allegations of sexual improprieties
15 involving Young and Ms. Jafka?

16 A. No, sir. No, sir, I didn't.

17 Q. What about another employee by the name
18 of M. Stewart, S-T-E-W-A-R-T, and an inmate by
19 the name of Dibello, D-I-B-E-L-L-O, do you
20 recall --- do you know who Mr. Stewart is?

21 A. I don't know who you're referring to,
22 no sir.

23 Q. It's M. Stewart, do you have any ---?
24 We can come back to that. Do you recall an
25 inmate by the name of Dibello?

Page 91

1 A. Yes.

2 Q. Do you recall any allegations of any
3 officers or any maintenance personnel having
4 some sort of an alleged transaction of a sexual
5 nature with Ms. Dibello?

6 A. I can't recall.

7 Q. And I take it you don't recall any
8 allegations that, I believe it was Lieutenant
9 Beck and Ms. Dibello, and I'm saying, using the
10 term, allegations, were involved in some sort of
11 sexual abuse situation?

12 A. I don't recall that, either, sir.

13 Q. Was it Lieutenant Beck, is that --- is
14 there an officer with that name?

15 A. Yes, sir.

16 Q. What about allegations of a sexual
17 liaison between, and I don't want to use, I
18 suppose the term, liaison, but some sort of a
19 sexual encounter between an officer by the name
20 of Schmidt, S-C-H-M-I-D-T, and Lisa Lambert, do
21 you recall any allegations of that sort coming
22 to your attention?

23 A. I remember that case, and it's very
24 vague. I do not remember details. I vaguely
25 recall we did look into an allegation concerning

Page 92

1 Schmidt, I don't recall who, if it was Lambert
2 or if it was somebody else.

3 Q. And when the prison looks in to such
4 allegations, is it customary for some sort of a
5 report to be generated, an incident report, an
6 extraordinary incident report, notes of
7 interviews, memorandum or any other document
8 generated whenever allegations of sexual abuse
9 are made?

10 A. Any investigation, there's a record of
11 that.

12 Q. In writing?

13 A. Any one, which would include the
14 sub-topic of sexual abuse.

15 Q. Now, after it came to your attention
16 that there was reason to believe that Jennifer
17 Langford, the officer, had moved in with a
18 parolee, and then Officer Langford resigned, do
19 you recall whether the administration made any
20 announcement, any pronouncement, in connection
21 with an officer not being allowed to live with a
22 parolee?

23 A. That's in our code of ethics, yeah.

24 Q. Did you take any steps after that to
25 announce, through a memorandum or any other sort

Page 93

1 of written communication, this is inappropriate,
2 and will not be tolerated, or words to that
3 effect?

4 A. Those specific words, no, I don't
5 recall.

6 Q. I'm not asking for the specific words.
7 What I'm saying is, here you gathered --- there
8 was information gathered that Langford had moved
9 in with somebody who had been paroled from
10 Cambridge Spring. What did you do to announce
11 to your staff, this won't be tolerated and if
12 you do this, it's wrong, and if you do this,
13 disciplinary action will be taken. Did you, or
14 anybody on your behalf, take any steps?

15 A. I don't recall.

16 Q. You don't recall one way or the other,
17 or you don't ---?

18 A. That's correct, I don't --- that case
19 was a number of years ago. I honestly don't
20 recall. In fact, I'm not sure how far the
21 investigation --- I don't recall the
22 investigation to determine it, in fact, she was
23 even with him. I don't recall the specifics of
24 that.

25 Q. But I think you said earlier that there

A 37-2

Page 98

Page 100

1 it, so there was no need to distribute anything.
 2 Q. Was Mr. Davis' presentation limited to
 3 the subject of sexual improprieties, harassment,
 4 sexual harassment, fraternization between
 5 officers and inmates, or was it broader than
 6 that?
 7 A. Both, sir. It covered the code of
 8 conduct, with an emphasis on sexual misconduct.
 9 Q. Because that's primarily why you had
 10 him come up?
 11 A. Yes, sir, yes, sir, correct.
 12 Q. Who was guarding the place when he gave
 13 the lecture ---?
 14 A. He gave numerous lectures that covered
 15 different shifts. He came in at different times
 16 during the day. That's the only way to
 17 accomplish that.
 18 Q. What a peculiar thing to think about,
 19 though, I was wondering. Now, was it this ---
 20 it was the next presentation in October that,
 21 I'm sorry. When was the first videotaping, was
 22 it the September presentation or was it one of
 23 the subsequent ones --- the original
 24 videotaping?
 25 A. I believe that it was in March of '95,

Page 99

1 is when we did the --- to cover the new hires,
 2 and it's certainly impractical for Mr. Davis to
 3 come up here with each new hire we have.
 4 Q. And you think that --- not you think,
 5 you testified I think, that this tape was erased
 6 and then there was a retaping in October of 1995
 7 that, whose substance was basically the same as
 8 the tape of March of '94?
 9 A. That's correct.
 10 Q. And there is a tape of the October,
 11 1995 presentation in existence which I can
 12 receive a copy of?
 13 A. Yes, sir, there is. There certainly
 14 better be because we show it to each new
 15 employee.
 16 Q. And that's another tape that I would
 17 like to have.
 18 ATTORNEY HALLORAN:
 19 There's only one tape, that's
 20 the only tape. When you had the
 21 November 22nd, 1994, it wasn't taped.
 22 ATTORNEY KRAKOFF:
 23 Right, it wasn't taped. I
 24 think it wasn't until --- it was March
 25 of 1995 that there was a first taping.

1 That tape no longer exists. We should
 2 have a tape from October of '95.
 3 ATTORNEY HALLORAN:
 4 Okay.
 5 BY ATTORNEY KRAKOFF:
 6 Q. Now, I asked you at the threshold of
 7 the deposition, how, you know, to quantify your
 8 view of the extent of the risk of, and I think
 9 I've limited it to the abuse by male officers of
 10 female inmates; is that correct, do you recall
 11 that?
 12 A. Yes, I just ---.
 13 Q. And I believe your testimony was that,
 14 you know, there's --- that the extent of the
 15 risk is, you know, it's universal. It's the
 16 same for --- whether you're talking about a man
 17 officer or a woman officer?
 18 A. That's correct, sir.
 19 Q. And the question I put to you now is,
 20 has your view of the extent of the risk changed
 21 at all since you became superintendent, based
 22 upon, first, what occurred prior to September of
 23 1994, and then based upon events that I'm going
 24 to review --- based upon anything that occurred,
 25 subsequent to September, 1994. Let me ask you

Page 101

1 the first question. Did your perception of the
 2 view of the risk of officer, or inmate sexual
 3 abuse, change at all after you became
 4 superintendent at Cambridge Springs?
 5 ATTORNEY HALLORAN:
 6 I just want to object to the
 7 form of the question because I think
 8 it's confusion over whether or not his
 9 perception related to the training he
 10 gives, as opposed to the perception
 11 related to these set of events as they
 12 occur. I think there's a difference.
 13 ATTORNEY KRAKOFF:
 14 Yeah, whatever the, whatever
 15 the rea --- I understand your
 16 distinction.
 17 ATTORNEY HALLORAN:
 18 All right. I just want to
 19 make sure the question is clear.
 20 ATTORNEY KRAKOFF:
 21 Oh, you mean something that he
 22 might have heard from Mr. Davis, or
 23 something of that nature.
 24 ATTORNEY HALLORAN:
 25 No. What I'm saying is that

A 38

<p style="text-align: right;">Page 102</p> <p>1 ---.</p> <p>2 <u>ATTORNEY KRAKOFF:</u></p> <p>3 Why don't I just ask him</p> <p>4 whether his perception has changed at</p> <p>5 all and why. And that way he can</p> <p>6 explain. Would that be a fair ---?</p> <p>7 <u>ATTORNEY HALLORAN:</u></p> <p>8 His perception of what the</p> <p>9 actual risks are as opposed to how they</p> <p>10 deliver training may not be the same.</p> <p>11 <u>BY ATTORNEY KRAKOFF:</u></p> <p>12 Q. Right. I'm limiting it to your</p> <p>13 perception of the risk, from the day you became</p> <p>14 superintendent here at Cambridge Springs, has</p> <p>15 your view of the perception of the risk of</p> <p>16 sexual abuse on the part of prison personnel</p> <p>17 against inmates, changed at all, and if so, why?</p> <p>18 A. As I testified earlier, it was always a</p> <p>19 major concern, any type of abuse. The number</p> <p>20 that we had during that time caused me greater</p> <p>21 concern, yeah, I was very disappointed in the</p> <p>22 staff.</p> <p>23 Q. By that time, you're talking about the</p> <p>24 period preceding Mr. Davis' lecturing here in</p> <p>25 September of 1994? Is that the time period that</p>	<p style="text-align: right;">Page 104</p> <p>1 September of 1994; is that correct?</p> <p>2 A. Yes, sir.</p> <p>3 Q. And there have been, based upon</p> <p>4 documents that I have received, specifically,</p> <p>5 there's one involving a CO Hammers (phonetic),</p> <p>6 one involving an Officer Merry, there are one or</p> <p>7 two others that I'm not able to recall now.</p> <p>8 There were incidents of abuse that occurred even</p> <p>9 after Mr. Davis came in September of 1994; is</p> <p>10 that correct?</p> <p>11 A. I believe so. I don't have those exact</p> <p>12 --- again, the time line is why I'm having</p> <p>13 trouble with your questions.</p> <p>14 Q. My question to you is very simple. Why</p> <p>15 do you think the incidents of abuse has been at</p> <p>16 the level which it has been at Cambridge</p> <p>17 Springs, sexual abuse?</p> <p>18 <u>ATTORNEY HALLORAN:</u></p> <p>19 Let me object to the form of</p> <p>20 the question. To the extent you're</p> <p>21 using the term as such, rather than</p> <p>22 allegations.</p> <p>23 A. Run that again then, changing ---.</p> <p>24 <u>BY ATTORNEY KRAKOFF:</u></p> <p>25 Q. Do you know how many incidents of ---?</p>
<p style="text-align: right;">Page 103</p> <p>1 you're talking about?</p> <p>2 A. Yeah, that's correct. I certainly did</p> <p>3 not open this institution expecting that</p> <p>4 outcome. Certainly did not.</p> <p>5 Q. So is it fair to say that the number of</p> <p>6 incidents of staff on inmate sexual abuse</p> <p>7 exceeded what you had expected when you became</p> <p>8 the superintendent here?</p> <p>9 A. Oh, absolutely, absolutely.</p> <p>10 Q. And did your view change after, between</p> <p>11 September of 1994 and anytime later ---</p> <p>12 A. Yes.</p> <p>13 Q. --- with respect to the risk of staff</p> <p>14 on inmate sexual abuse?</p> <p>15 A. Yes, sir, and that's we responded with</p> <p>16 the training, additional training.</p> <p>17 Q. So even --- your concerns increased</p> <p>18 even after September of 1994? Is that the case,</p> <p>19 A. Every time we would have a case, it</p> <p>20 causes me to review what we're doing and try to</p> <p>21 reduce those episodes to zero. I'm always</p> <p>22 reviewing what I'm doing.</p> <p>23 Q. You've testified that you hadn't</p> <p>24 expected the amount of sexual abuse that</p> <p>25 occurred here in Cambridge Springs, prior to</p>	<p style="text-align: right;">Page 105</p> <p>1 <u>ATTORNEY HALLORAN:</u></p> <p>2 Allegation?</p> <p>3 <u>BY ATTORNEY KRAKOFF:</u></p> <p>4 Q. No. Do you know how many incidents of</p> <p>5 confirmed sexual abuse by personnel against</p> <p>6 inmates have occurred at Cambridge Springs since</p> <p>7 it opened?</p> <p>8 A. To today?</p> <p>9 Q. Yes.</p> <p>10 A. Approximately ten.</p> <p>11 Q. Now, I take it that when you said</p> <p>12 approximately ten, I gathered from your pausing</p> <p>13 that you were --- you were thinking or</p> <p>14 recollecting incidents before you answered; is</p> <p>15 that correct, so that you could give the</p> <p>16 approximate ten answer?</p> <p>17 A. That's correct, oh, yeah.</p> <p>18 Q. What I'd like you to do is --- are you</p> <p>19 including the Langford investigation?</p> <p>20 A. Yes, sir.</p> <p>21 Q. Langford is one. What is the second,</p> <p>22 Zimmerman?</p> <p>23 A. Zimmerman. A 39</p> <p>24 Q. What is the third.</p> <p>25 A. Martin Miller.</p>

Page 106

Page 108

1 Q. Fourth?

2 A. You helped refresh my memory.

3 Q. Merry?

4 A. Merry. Lisa Stallard.

5 Q. S-T-

6 A. A-L-L-A-R-D.

7 Q. She's an officer, or ---?

8 A. Food service.

9 Q. Food service.

10 A. Linda Bish, food service.

11 Q. Now, can we try to see if we can get it

12 first, then we can --- this isn't a test, but I

13 want to see what you can recall and then we can

14 add. Stallard and Bish didn't come to your mind

15 right away; is that correct?

16 A. Not at this particular moment. The

17 other day when I was trying to recall them and I

18 did.

19 Q. And Deputy Kormanik helped you with the

20 names Stallard and Bish, didn't she?

21 A. Yes.

22 Q. Do you have any other names that come

23 to mind? We're up to six.

24 A. Mary Hull, H-U-L-L.

25 Q. And is she ---

1 lunch break. Have you been able to acquire any

2 additional information about other transactions?

3 A. Yes, sir. I was able to go back into

4 my files and get some notes.

5 Q. Okay. And why don't we begin with

6 nine, and then go from there. Could you

7 identify the name of the officer or other person

8 who was involved?

9 A. I don't even remember which names I

10 gave you. May I read my list? Or you read your

11 list.

12 Q. Langford was one, Zimmerman was two.

13 A. Yes, sir, okay.

14 Q. Miller, Martin Miller was three.

15 A. Yes.

16 Q. Officer Merry was four. Lisa Stallard

17 was five. Linda Bish was six. Mary Hull was

18 seven. Ron Randolph was eight.

19 A. Okay.

20 Q. And who else do you have?

21 A. James Eicher. I couldn't remember

22 because --- that's the case we're doing.

23 Q. Eicher?

24 A. Yeah.

25 Q. Okay, that's the one with Lambert?

Page 107

Page 109

1 A. A CO.

2 Q. Are there any others that come to mind?

3 A. Ron Randolph, maintenance.

4 Q. Okay. We're up to eight.

5 A. That's all I can recall at the moment.

6 Q. And I have no problems if it'll be

7 helpful if the Deputy Superintendent Kormanik

8 has any other --- she can prompt him.

9 ATTORNEY HALLORAN:

10 You can ask her.

11 ATTORNEY KRAKOFF:

12 Well, the only reason I'm

13 saying that is I might want to ask, I

14 might was to ask Superintendent Wolfe

15 about some of those incidents, and this

16 would avoid my having to recall him to

17 ask him those. However you want to

18 work it, because that's what I intend

19 to do is to review some of these with

20 him.

21 LUNCH BREAK

22 BY ATTORNEY KRAKOFF:

23 Q. We're back from the lunch break. Have

24 you had an opportunity to identify additional

25 transactions? You had listed eight before the

1 A. Yes, sir. And Paul Walton.

2 Q. Okay.

3 A. Oh, let's see, there's a Richard

4 Hammers.

5 Q. Any more?

6 A. I come up with one, two, three, four,

7 five, six, seven, oh, Lieutenant Mort.

8 Q. Lieutenant ---?

9 A. Ken Mort, Kenneth Mort.

10 Q. M-O-R-T?

11 A. Yes, sir. Total of 12 since we opened.

12 Q. Now, do any of the 12, to your

13 knowledge, involve multiply inmates, in other

14 words, more than one inmate?

15 A. Yes, sir.

16 Q. Let's begin, you know, with --- you can

17 say yes or no as I run down the list. That

18 would probably be the most efficient way to do

19 this. If it involved more than one, then say

20 yes, no if it didn't. Langford?

21 A. No.

22 Q. Zimmerman?

23 ATTORNEY HALLORAN:

24 This is going to be ---

25 A. No, wait, wait.

A 40

Page 114

Page 116

1 A. I think the time line was the date of
2 the lawsuit.
3 Q. And you can give me just the last
4 names. Why don't you tell me the three that
5 came up after the lawsuit?
6 A. I believe it was Marty Miller. I don't
7 have an exact date on that. And then of course
8 in '97 was Hull and Randolph, this year.
9 Q. Out of the 12, criminal charges were
10 brought against Miller, we know that, don't we?
11 Martin Miller?
12 A. Yes, sir.
13 Q. And have criminal charges been brought
14 against --- and we know that Eicher, there were
15 criminal charges against Eicher.
16 A. Yes, sir.
17 Q. Paul Walton had criminal charges
18 brought against him, as well; is that correct?
19 A. Yes, sir.
20 Q. Any of the others of the 12 have
21 criminal charges brought against them?
22 A. No, they were handled administratively.
23 Q. Of the 12, I already know that Langford
24 quit, Zimmerman was fired. And I don't think
25 this is going to be too intrusive for this

1 COT designate an officer in training?
2 A. I'm not sure whether he was officer or
3 trainee. I couldn't be certain, I can't be
4 certain. He was an officer, where he was in his
5 training, I'm not sure.
6 Q. My question isn't whether Hammers was
7 an officer in training or not, but does the
8 designation COT mean officer in training?
9 A. That's Correction's Officer Trainee,
10 correct.
11 Q. Is a trainee on some sort of a, what do
12 you call that, where they're monitoring his work
13 on a ---
14 MS. KORMANIC:
15 Probation?
16 BY ATTORNEY KRAKOFF:
17 Q. --- probational --- thank you, on a
18 probationary track?
19 A. Yes, sir.
20 Q. And how long are they probationary?
21 A. For Corrections Officers, one year.
22 Other staff, it's six months.
23 Q. Do you have a recollection of any of
24 the 12 being trainees at the time of the
25 transactions? Obviously, Mort was a Lieutenant,

Page 115

Page 117

1 purpose. Marty Miller, was he terminated?
2 A. Yes.
3 Q. Merry resigned, didn't he?
4 A. That's correct.
5 Q. Stallard? Do you recall?
6 A. No, I don't. I didn't make note of
7 that.
8 Q. Bish?
9 A. Nor Bish.
10 Q. Are they still here or are they no
11 longer here?
12 A. They're no longer employed.
13 Q. Mary Hull?
14 A. She was fired.
15 Q. Ron Randolph?
16 A. Resigned.
17 Q. Hammers?
18 A. Resigned.
19 Q. And Mort?
20 A. Resigned.
21 Q. Now, I also have learned from records
22 that Hammers, according to the records, was a
23 COT, which means that he was an officer in
24 training; is that correct? I'm not asking you
25 to agree that he was, but does the designation

1 so he wasn't a trainee. Do you know whether
2 Eicher was a trainee?
3 A. No, he was not a trainee. I don't see
4 any others that I would believe were trainees at
5 the time.
6 Q. And if I wanted to determine how long
7 these employees had worked at Cambridge Springs,
8 you would have records of that, right?
9 A. Yes, sir.
10 Q. And if I wanted to find out how long
11 they've been employed with the Department of
12 Corrections, their personnel records would also
13 reflect that?
14 A. Well, we fix the record, I believe, no,
15 wait. I was answering his question, I didn't
16 answer yours, I'm sorry.
17 Q. If I want to determine when they
18 started working for the Department of
19 Corrections, somebody in the central office
20 would be ---?
21 A. We would have a record somewhere of
22 that, yes, sir.
23 Q. Now, remember you said, I think that I
24 was asking you whether you attributed any factor
25 or factors to the number of incidents of sexual

A 41

Page 118

1 abuse that had occurred. I believe you
 2 testified that you thought a factor was that
 3 there were a lot of newer employees at the
 4 prison. Did you testify to that? Do you recall
 5 testifying to that?
 6 A. No, I don't recall. I recall you
 7 asking me today if I had a hypothesis on that,
 8 and I don't think I responded.
 9 Q. In fact, were a lot of the employees at
 10 Cambridge Springs relatively new employees who
 11 were in their first or second year, during this
 12 period between 1992 and 1994?
 13 A. Yes, sir.
 14 Q. Do you think that that was a
 15 contributing factor to the number of sexual
 16 abuse incidents that occurred at Cambridge
 17 Springs?
 18 ATTORNEY HALLORAN:
 19 I'm going to object to the
 20 term sexual abuse incidents that
 21 occurred.
 22 BY ATTORNEY KRAKOFF:
 23 Q. Okay, let me ask you this to lay a
 24 better foundation. Of the 12 employees who were
 25 listed that we've reviewed, do you believe that

Page 119

1 there is a substantial reason for believing that
 2 each of these 12 persons was involved in
 3 incidents of sexual abuse with Cambridge Springs
 4 women?
 5 ATTORNEY HALLORAN:
 6 Object to the form of the
 7 question. The points of the case speak
 8 for themselves.
 9 BY ATTORNEY KRAKOFF:
 10 Q. Based upon the information that you
 11 received ---,
 12 A. Yes.
 13 Q. --- I take it that you, in the course
 14 of your responsibilities, would receive reports
 15 either from the Department of Corrections or
 16 from investigations conducted there, or from
 17 your staff, if they were conducting the
 18 investigation, and would be apprised of the
 19 information that they had been able to gather
 20 with respect to allegations of sexual abuse on
 21 the part of the persons who were investigated?
 22 A. Each case was different. They were not
 23 all the same. There were different levels of
 24 activity. That's why I'm having trouble
 25 answering your question.

Page 120

1 Q. Langford, you already said ---
 2 A. She was not in our custody.
 3 Q. --- you thought there was reason to
 4 believe --- I understand that, but that you
 5 thought there was reason to believe that, in
 6 fact, Langford was living with a parolee;
 7 correct?
 8 A. We believed that and she resigned
 9 before we could --- to the best of my knowledge
 10 or recollection, you know, ---.
 11 Q. Before you could determine it firmly?
 12 A. Right. And we had other cases of that
 13 manner. When we started an investigation,
 14 people would resign before we had a chance to go
 15 the course.
 16 Q. That was your investigations of matters
 17 other than sexual ---
 18 A. No, sir.
 19 Q. --- indiscretions?
 20 A. No, sir. They were based on
 21 allegations.
 22 Q. You mean people beyond the 12 that
 23 you've identified?
 24 A. No. These --- within this list. You
 25 asked me a question and putting in the same

Page 121

1 category and I'm having trouble answering your
 2 question because there were some that did not
 3 fit your definition of what sexual abuse is and
 4 I can't answer affirmative.
 5 Q. Langford. You thought there was reason
 6 to believe, at the time she resigned, that she
 7 had been living with a parolee?
 8 A. After the inmate was out of our
 9 custody, yes, sir.
 10 Q. Zimmerman. You fired the man?
 11 A. Yes, sir.
 12 Q. You apparently had reason to believe
 13 that he had been involved in some form of ---
 14 A. Yes, sir.
 15 Q. --- sexual misconduct?
 16 ATTORNEY HALLORAN:
 17 Let him finish the question.
 18 BY ATTORNEY KRAKOFF:
 19 Q. Is that correct?
 20 A. That's correct, yeah.
 21 Q. And what was it that you believed he
 22 had done?
 23 A. Hugging, kissing and some groping.
 24 Q. Okay. In his office?
 25 A. That's correct, sir.

A 42

Page 150

1 over there and ---.

2 ATTORNEY HALLORAN:

3 Okay, you want to do that?

4 BY ATTORNEY KRAKOFF:

5 Q. Let me show you --- do you recall

6 receiving any other extraordinary occurrence

7 reports which reflected allegations of sexual

8 misconduct by an officer toward an inmate?

9 A. I can't remember specifically, no, sir.

10 Q. What was Deputy Kormanik's role, if

11 any, in connection with either the investigation

12 of allegations of sexual abuse against inmates

13 by personnel, or the monitoring of complaints of

14 such investigations. Did she have any role?

15 Did she play a role?

16 A. She was aware --- I'm not sure exactly

17 what type of role, I can't recall every detailed

18 conversation. I mean, there were six

19 investigations related to this inmate.

20 Q. You started getting complaints and

21 allegations from persons resigning, persons

22 being fired, because of sexual indiscretions.

23 Was somebody here given the responsibility to be

24 the point person for kind of the overview of

25 these developments, coordinating activities,

Page 151

1 collecting data and information.

2 A. The intelligence officer would report

3 to me.

4 Q. So you were the person who was to

5 receive the information primarily?

6 A. That's correct.

7 Q. Well, here the intelligence captain got

8 a copy of this extraordinary occurrence report

9 from Metzger, Deputy Kormanik received the

10 report, itself, and you were cc'd on it,

11 according to the notes.

12 ATTORNEY HALLORAN:

13 I'm going to object to the

14 form of the question. CC does not

15 indicate that it was received by the

16 Superintendent or Lazenby on the date

17 of the extraordinary occurrence.

18 BY ATTORNEY KRAKOFF:

19 Q. Well, I'm not talking about on the date

20 of the extraordinary occurrence. The cc

21 indicates that at some point, you and Lazenby

22 received a copy of this report. You have no

23 recollection of it, correct?

24 A. I receive hundreds of reports. I have

25 no recollection of that particular one.

Page 152

1 Q. You don't receive hundreds of reports,

2 do you, of sexual --- alleged sexual

3 indiscretions by one, two, three, four, five,

4 six, seven, eight, nine, ten different

5 employees, do you?

6 A. I don't recall.

7 ATTORNEY HALLORAN:

8 His first question is, you

9 don't receive hundreds of reports like

10 this?

11 A. No, sir.

12 ATTORNEY HALLORAN:

13 And you still have no

14 recollection of seeing that?

15 A. I have no recollection of seeing that.

16 BY ATTORNEY KRAKOFF:

17 Q. Do you recall Lazenby, who's supposed

18 to be reporting to you on developments in this

19 area of allegations of sexual abuse; correct?

20 A. That's correct.

21 Q. Do you recall him saying to you at any

22 point after the 6th of May, 1995, Superintendent

23 Wolfe, I have an extraordinary occurrence report

24 that was given --- copy of a report that was to

25 me by Deputy Kormanik and in it Lisa Lambert and

Page 153

1 a confidential source are alleging that a number

2 of officers and other personnel have engaged in

3 sexual improprieties with inmates?

4 A. I do not recall that report.

5 Q. No, I'm not asking you whether you

6 recall the report. I'm asking you whether

7 Lazenby, after the 6th of May, came to you and

8 said I'd like to talk with you about allegations

9 involving Montano, Merry, Rogers, Coffee, Free,

10 Young, Stewart, Beck, Schmidt, either one or all

11 of those persons?

12 A. I don't recall him discussing this

13 report. He came to me saying there was

14 information. And that was why we reopened the

15 Eicher case. I don't remember this specific

16 report. I don't how else to answer that.

17 Q. What information did Officer Lazenby

18 come to you --- what did he tell you and when

19 did he tell you?

20 A. It was around or about the beginning or

21 the middle of May.

22 Q. All right. And he came ---.

23 ATTORNEY HALLORAN:

24 What year?

25 A. Of '95.

Page 206

1 Q. In order, I'm sorry. Do you have
2 something to add?
3 A. Yes. I believe they were used in '93,
4 but I'm not certain of the date.
5 Q. Are you certain it was in '93, or
6 are you saying you're not certain it was in '93?
7 A. I'm not certain it was '93. That's why
8 I answered in the manner I did.
9 Q. It could have been in '94?
10 A. I'm not certain.
11 ATTORNEY HALLORAN:
12 He's not certain. We'll try
13 to confirm that for you, I'm sure we
14 can do that.
15 BY ATTORNEY KRAKOFF:
16 Q. When there is training that is provided
17 at Cambridge Springs, will there be some sort of
18 a document which reflects the nature or the
19 general substance of the training so that if I
20 wanted to confirm what was imparted to the
21 trainees, I could refer to some document?
22 A. There should be training records.
23 ATTORNEY KRAKOFF:
24 Obviously, those would fall
25 within the framework of the requests as

Page 207

1 well, and those will be provided?
2 ATTORNEY HALLORAN:
3 Yes.
4 BY ATTORNEY KRAKOFF:
5 Q. The training materials that you're
6 referring to that dealt with sexual abuse
7 issues, were those training materials that were
8 used for new recruits? Were those materials
9 that were used as in-service training for
10 persons who were already employed?
11 A. Both.
12 Q. Were the training materials used both
13 for corrections officers as well as maintenance
14 personnel?
15 A. Both.
16 Q. And also by food service personnel?
17 A. All of the above.
18 Q. And have you reviewed any of the video
19 training materials before today? I'm not saying
20 that you reviewed them today. Have you reviewed
21 any of the training videos that dealt with
22 sexual abuse issues?
23 A. Not in their entirety.
24 Q. But you have reviewed some of them?
25 A. Deputy Kormanik ordered some and I was

Page 208

1 made aware of that.
2 Q. You were made aware of that today or
3 before today?
4 A. I was refreshed today. I remember it
5 now. There's several others, too, beyond this.
6 There are a lot of professional training tapes
7 out there for corrections officers that we've
8 ordered and that had slipped my mind.
9 Q. Were these tapes materials that the
10 officers could view if they wanted to, i.e., the
11 viewing was optional, or were these tapes
12 required viewing?
13 A. They're required viewing.
14 Q. Now, if the tapes were used prior to
15 Mr. Davis' appearance in September of 1994, did
16 you believe that it was nevertheless important
17 for Mr. Davis to come to Cambridge Springs and
18 if so, why?
19 A. You can never have enough training. As
20 I said, at this particular moment in time, I
21 can't recall exactly when the tapes were
22 purchased and implemented.
23 Q. So it is possible that the tapes were
24 ordered after Mr. Davis' first appearance?
25 A. We have them but I don't know when they

Page 209

1 were ordered.
2 Q. Now, I received some --- early in your
3 deposition, I had asked you some --- whether it
4 would be possible for you to obtain population
5 counts going back in time, and you were kind
6 enough to gather that information for me. And
7 I just wanted to make sure that I understand
8 what I have been provided with. The first
9 document is a handwritten document and it says
10 daily count for September 25th, 1992, in-house,
11 147. I know there's something in parentheses
12 but that's not so important. And then it also
13 lists there were no men on furlough and one was
14 ATA. What was ATA?
15 A. Authorized temporary absence.
16 Q. And so the total count was 148 in
17 September of 1992. That would have been the
18 total inmate count; is that correct, roughly?
19 A. I don't know where you got those. I
20 --- my staff provided that to me during the
21 break. I really don't ---.
22 Q. You don't have first-hand knowledge
23 about how this was gathered. Perhaps we can
24 just have ---?
25 A. I don't know where the info --- how the

A 44

Page 210

Page 212

1 information and why it was given to you,
2 handwritten in that manner. I really don't
3 know. I know the staff has been working on it.
4 But I didn't even know you were given it.

5 Q. I'm willing to accept the accuracy and
6 authenticity of those statistics. Perhaps we
7 can just read what the counts were.

8 ATTORNEY HALLORAN:

9 If we can just clarify it. I
10 believe that the count would be
11 reflected at this number? This would
12 just be --- the in-house populations
13 would ---.

14 ATTORNEY KRAKOFF:

15 That's what I'm interested in.

16 ATTORNEY HALLORAN:

17 All right. So we're going to
18 look at the in-house population and see
19 whether they appear as though they were
20 probably accurate. And we have 147 on
21 September 25th, 1992, 150 for December
22 31st, 1992. Would that appear to be
23 accurate to you?

24 A. It would appear to be.

25 ATTORNEY HALLORAN:

Page 211

1 And 177 for March 3rd, 1993?

2 A. Okay.

3 ATTORNEY HALLORAN:

4 Would that appear to be
5 accurate?

6 A. Appears to be.

7 ATTORNEY HALLORAN:

8 And 208 for September 30th,
9 1992?

10 A. Okay.

11 ATTORNEY HALLORAN:

12 That appears to be accurate?

13 A. Uh-huh (yes).

14 ATTORNEY HALLORAN:

15 Yes?

16 A. Yes.

17 ATTORNEY HALLORAN:

18 And 211 for December 31st,
19 1992?

20 A. In-house. That's our total committed
21 population, would be 219.

22 ATTORNEY HALLORAN:

23 Right. But the actual

24 physical prison population would be
25 211?

1 A. Yes.

2 ATTORNEY HALLORAN:

3 And that's the number we've
4 looking at previously.

5 A. Uh-huh (yes).

6 ATTORNEY HALLORAN:

7 Then 217, general population
8 present on March 30th, 1994?

9 A. Yes.

10 ATTORNEY HALLORAN:

11 And that includes --- that
12 does not include two on the RHU, which
13 would make it 219 on March 31st, 1994.

14 A. Uh-huh (yes).

15 ATTORNEY HALLORAN:

16 Yes?

17 A. Yes.

18 ATTORNEY HALLORAN:

19 And on June 30th, 1994,
20 general population 309, two in the RHU,
21 total of 311 at the institution,
22 physically present?

23 A. Yes.

24 ATTORNEY HALLORAN:

25 And September 30th, 1994,

Page 213

1 general population 321, physically
2 present in the institution?

3 A. Yes.

4 ATTORNEY HALLORAN:

5 And December 31st, 1994, 391
6 general population, four RHU, total
7 395, physically present in the
8 institution?

9 A. Yes.

10 ATTORNEY KRAKOFF:

11 Thank you.

12 BY ATTORNEY KRAKOFF:

13 Q. Now, the final area that I want to
14 question you about is about the issue of the
15 photographing and videotaping of Lisa Lambert,
16 when she was returned to the restricted housing
17 unit. Now, is there a policy that you're aware
18 of, either at the DOC level or at the prison
19 level, which authorizes either the photographing
20 or the videotaping of inmates when they are
21 brought to the prison from places outside the
22 institution?

23 A. Yes, sir, there is.

24 Q. And can you identify what that policy
25 is? Is it a DOC level policy or is it something

A 45

<p style="text-align: right;">Page 214</p> <p>1 that was adopted at Cambridge Springs?</p> <p>2 A. It's a DOC policy that was the result</p> <p>3 of a ACLU lawsuit.</p> <p>4 Q. And the lawsuit was Austin? Was it the</p> <p>5 class action, state-wide?</p> <p>6 A. I can't --- there's been a number of</p> <p>7 --- and I'm sorry, I don't recall right now, I</p> <p>8 should. The day's wearing on.</p> <p>9 Q. No, I know that.</p> <p>10 A. It was a result, as a result of an ACLU</p> <p>11 lawsuit. I don't remember exactly which one.</p> <p>12 The department, as part of the settlement, is my</p> <p>13 understanding they required all admissions to</p> <p>14 the RHU to be videotaped.</p> <p>15 Q. Perhaps, with the assistance of Mr.</p> <p>16 Halloran, and I'll give you an opportunity to</p> <p>17 consult, we can locate that policy. Do you want</p> <p>18 me to leave for a few minutes so</p> <p>19 you can talk.</p> <p>20 <u>ATTORNEY HALLORAN:</u></p> <p>21 Yes.</p> <p>22 SHORT BREAK TAKEN</p> <p>23 <u>BY ATTORNEY KRAKOFF:</u></p> <p>24 Q. Perhaps with the assistance of Mr.</p> <p>25 Halloran, you can locate the policy, if you have</p>	<p style="text-align: right;">Page 216</p> <p>1 OFF RECORD DISCUSSION</p> <p>2 <u>ATTORNEY KRAKOFF:</u></p> <p>3 I have a file on when the</p> <p>4 incident took place on November 22nd,</p> <p>5 1994. There's a dispensary card</p> <p>6 notation that indicates that it</p> <p>7 occurred at 1500, which would be three</p> <p>8 o'clock, civilian time. It says,</p> <p>9 brought back, I'm reading from the</p> <p>10 notes, was brought back from ATA to</p> <p>11 medical, accompanied by Lieutenant</p> <p>12 Beck, Sergeant Chase, COTs E. Jones and</p> <p>13 COT Howard, later joined by Deputy</p> <p>14 Kormanic. It goes on from there?</p> <p>15 <u>BY ATTORNEY KRAKOFF:</u></p> <p>16 Q. What does ATA mean?</p> <p>17 A. Authorized temporary absence.</p> <p>18 Q. And when it says brought back from ATA</p> <p>19 to medical, does that mean, according to your</p> <p>20 understanding, that she was brought back to the</p> <p>21 medical area, somewhere?</p> <p>22 A. Our medical department is located in</p> <p>23 the same floor and the same building as our</p> <p>24 receiving unit.</p> <p>25 Q. Now, is that number 203, is that the</p>
<p style="text-align: right;">Page 215</p> <p>1 it here today.</p> <p>2 <u>ATTORNEY HALLORAN:</u></p> <p>3 There's DOC 203, is the policy</p> <p>4 on the strip search, and we don't have</p> <p>5 the number of the policy on the</p> <p>6 videotaping and we're not sure what the</p> <p>7 effective date of that was.</p> <p>8 A. That's what I was advised. I'm not</p> <p>9 sure what policy came out relative to ---.</p> <p>10 <u>BY ATTORNEY KRAKOFF:</u></p> <p>11 Q. Whether it was before or after ---</p> <p>12 A. That's correct, I'm not sure.</p> <p>13 Q. --- Lambert?</p> <p>14 A. Right. I may be ---.</p> <p>15 <u>MS. KORMANIC:</u></p> <p>16 I think it was part of when we</p> <p>17 first went through everything, we had</p> <p>18 sent a copy to upgrade to the</p> <p>19 attorneys.</p> <p>20 <u>ATTORNEY KRAKOFF:</u></p> <p>21 Oh, I'm sorry. I think I do</p> <p>22 have 203.</p> <p>23 <u>MS. KORMANIC:</u></p> <p>24 And I believe we made you a</p> <p>25 copy of ATA also.</p>	<p style="text-align: right;">Page 217</p> <p>1 strip search policy?</p> <p>2 A. That's searches of inmates.</p> <p>3 Q. And that is dated, what is the date of</p> <p>4 that policy, in terms of it's implementation</p> <p>5 date? Does it have a date?</p> <p>6 A. May 1st, 1984.</p> <p>7 Q. And as far as you can recall, that</p> <p>8 policy was in effect on the 22nd of November,</p> <p>9 1994?</p> <p>10 A. Yes, it was.</p> <p>11 Q. Is there anything in that policy that</p> <p>12 authorizes the photographing or videotaping of</p> <p>13 an inmate.</p> <p>14 A. Nothing I see, specifically.</p> <p>15 Q. And do you have a copy of the policy</p> <p>16 that was developed in conjunction with the</p> <p>17 Austin case that you contend authorizes the</p> <p>18 videotaping, or maybe even obligates the ---</p> <p>19 A. Obligates.</p> <p>20 Q. --- prison, okay, to photograph and/or</p> <p>21 videotape an inmate, do you have a copy of that?</p> <p>22 A. We do.</p> <p>23 Q. Do you have that with you?</p> <p>24 A. No, I don't.</p> <p>25 Q. But it's on the grounds somewhere?</p>
